Mr. Smith reported on:
- New FCC regulations that will require the Town to update its codes in 60 days.

6) CONSENT AGENDA

All those items listed below are considered to be routine and may be enacted by one motion. Any Councilmember may request to remove an item from the Consent Agenda to be considered and discussed separately.

MOVED by Vice-Mayor Darryl Croft, seconded by Councilmember Pat McKee to approve Consent Agenda items a and b.

Vote: 7 - 0 PASSED

a) Consideration and possible action to accept the November 18, 2014 regular meeting minutes. (Jami Lewis, Town Clerk)

b) Consideration and possible action to approve Financial Report for the month ended October 31, 2014. (Joe Duffy, Finance Director)

7) ACTION ITEMS

a) Consideration and possible action to approve grant agreement with Arizona Commerce Authority for $250,000 Rural Economic Development Grant, related to the Old Home Manor industrial park. Funds will be accounted for in the Public Works Grant Fund: match will be budgeted for in the Capital Improvement Fund. (Ruth Mayday, Development Services Director)

Recommended Action: Approve grant agreement with Arizona Commerce Authority for the Rural Economic Development Grant.

Ms. Mayday reported that:

- Per Council’s 2014 Strategic Plan, staff applied for $250,000 from the Arizona Commerce Authority's (ACA) Rural Economic Development Grant program (REDG), whose purpose was to facilitate economic development in non-metropolitan areas of Arizona.
- The REDG funds will be used to leverage additional grant funds from the Economic Development Administration (EDA) for proposed improvements at Old Home Manor (OHM).
- Like many rural communities, Chino Valley struggled to gain benefit from the slowly improving economy. Limited resources made it difficult to compete with its more economically advanced neighbors in encouraging and supporting economic development. Installing infrastructure improvements that will provide utility services to OHM will benefit the community as a whole by providing ready opportunities for development of heavier commercial and industrial uses that will provide employment opportunities for the under- and unemployed in the greater Chino Valley area.
- Staff was notified on October 23, 2014 that the Town had been awarded the full $250,000 grant. Acceptance of the funding and contract approval were the final steps in this process.
- REDG funds will be used for “hard costs” for water and sewer lines, manholes, and manhole covers. The Town had 18 months to use the funds on a reimbursement basis, so any unused portions would be forfeited. If the Town forfeited such funds, the Town would have to make up the difference with EDA. The Town will not be able to use any REDG funds without EDA approval.
- Staff recently learned that the EDA will not fund gas line installation to OHM, so staff was researching different options for that. While being part of the project, but not part of the funding request, this resulted in lowering the grant match.
Sources for the Town’s match included: the REDG grant, Town cash, waived permit fees, in-house trenching, and grant administration. The Town will hear from EDA 30-60 days after providing evidence of the Town’s match.

Mayor Marley related that, if EDA asked for a match that the Town could not meet, the Town would notify ACA that it could not make a deal with EDA.

MOVED by Vice-Mayor Darryl Croft, seconded by Councilmember Linda Hatch to approve grant agreement with Arizona Commerce Authority for the Rural Economic Development Grant.

**Vote:** 7 - 0 PASSED

b) Consideration and possible action to approve the agreement for professional consulting services with Civil Tec Engineering for development of the 200 yard long range shooting facility in an amount not to exceed $17,927.00. Funds to come from the Police Department Public Range Grant line item. (Ron Grittman, Public Works Director/Town Engineer)

**Recommended Action:** Approve the agreement for professional consulting services with Civil Tec Engineering for development of the 200 yard long range shooting facility for an amount not to exceed $17,927.00.

Mr. Grittman reported that:
- Under the Town’s existing contract with the Prescott Sportsmen’s Club (PSC), the Town agreed to construct a long range shooting facility of a 200-yard minimum in length in the PSC use area. This was the Town’s last remaining obligation with PSC.
- The subject design contract will provide the Public Works Department the necessary engineering to allow the project to be constructed using the "in-house" designation. Staff anticipated scheduling this project for construction in FY 2016/17.
- Civic Tec was chosen for this project, as PSC had already started its design work with Civil Tec, and dirt from this project was to be used as fill material for several new roadways for which Civil Tec was developing the 30% plans.

Mayor Marley asked Mr. Grittman to confer with Police Lieutenant Schaan on any lead abatement issues.

MOVED by Vice-Mayor Darryl Croft, seconded by Councilmember Lon Turner to approve the agreement for professional consulting services with Civil Tec Engineering for development of the 200 yard long range shooting facility for an amount not to exceed $17,927.00.

**Vote:** 7 - 0 PASSED

c) Consideration and possible action to adopt Resolution No. 14-1053 in support of Arizona SONShine 2015, a free health services event in the Quad-cities area to be held June 17-18, 2015. (Cecilia Grittman, General Services Director)

**Recommended Action:** Adopt Resolution No. 14-1053 in support of Arizona SONShine 2015 event.

Staff requested that Council postpone this item to January 13, 2015.
MOVED by Vice-Mayor Darryl Croft, seconded by Councilmember Pat McKee to postpone item 7c.

Vote: 7 - 0 PASSED

8) EXECUTIVE SESSION

*Council may vote to recess the Regular Meeting and hold an executive session, which will not be open to the public, for the following purposes.*

December 16, 2014 minutes
The Town Council of the Town of Chino Valley, Arizona, met for a Special Meeting in the Chino Valley Council Chambers, located at 202 N. State Route 89, Chino Valley, Arizona, on Tuesday, December 16, 2014.

Present: Mayor Chris Marley; Vice-Mayor Darryl Croft; Councilmember Mike Best; Councilmember Linda Hatch; Councilmember Pat McKee; Councilmember Lon Turner; Councilmember Don Wojcik

Staff Present: Town Manager Robert Smith; Town Attorney Phyllis Smiley; Finance Director Joe Duffy; Development Services Director Ruth Mayday; Town Clerk Jami Lewis (recorder)

1) CALL TO ORDER; ROLL CALL

Mayor Marley called the meeting to order at 6:04 p.m.

(Councilmember Mike Best attended via conference phone at 6:09 p.m.)

2) Consideration and possible action to adopt Resolution No. 14-1054 approving the form and authorizing the execution and delivery of a loan agreement with the Water Infrastructure Finance Authority of Arizona (WIFA) from its Clean Water State Revolving Fund Program.

Recommended Action: Adopt Resolution No. 14-1054.

Mr. Duffy presented an overview of the loan:

- October 7, 2014 – Council approved an agreement with Fann Contracting to buy out the construction manager-at-risk (CM@R) contract for the wastewater treatment plant. The WIFA loan will allow the Town to essentially refinance the debt already approved with said agreement, but with better terms and a significantly lower interest rate.

- November 18, 2014 – Council adopted Resolution 14-1051 authorizing application for a clean water loan from WIFA for this purchase.

- Resolution 14-1054 will authorize the execution and delivery of the WIFA loan agreement.

- Loan amount – The original loan amount was $3,442,500; less the WIFA grant of $478,829, the intended repayment amount was $2,963,671.

- Loan actions – Interest rate to be determined December 26, 2014; closure to be on December 30, 2014; annual payment to be determined at closing; first payment to be July 1, 2015; and term to be 20 years.

- Reserve fund – The Town will be required to fund a reserve fund over five years to fund
the annual debt service.

- Loan funds will be used for wastewater treatment plant purchase, new screen for plant, and financial advisor and bond counsel fees.
- Town funds of $200,000 will be used toward purchase of the plant, financial advisor and bond counsel fees, and other possible expenses. The Town funds will come from an amount paid to Fann as of June 30, 2014, the amount due to Fann from July 1 to December 31, 2014, CM@R fees from April through June, 2014, and sewer contingencies.
- Although WIFA Loan Resolution 2015-001, Section 2.3 Project Description referenced sewer extensions along SR 89 between Road 2 North and Road 3 North, this was no longer valid, as that resolution was based on the general obligation bond loans. Since the Town reduced the scope of the project, WIFA did not require adoption of a new resolution.

Mike Cafiso, Bond Counsel with Greenburg Traurig, explained the pledge structure:

- In 2007-2008 the Town financed the Chino Meadows collection system through two WIFA loan agreements and three promissory notes with USDA Rural Utility Services (RUS).
- The complicated structure of the transaction pledge was two-tiered: (i) a set of tests related to debt as secured payable only from Town sales taxes; and (ii) the other was typically secured through sewer revenues; however, since the Town’s utility system’s cash flows were not sufficient, this tier was secured through 50% sewer revenues and 50% sales taxes.
- Due to the complexity of the structure, the Town needed to meet several tests before additional debt could be issued. The Town not only met, but exceeded, the required tests. Once the Town met a certain test for five years in a row, the excise tax will fall off and the debt will become a utility system pledge once more, which will free up even more bonding capacity.
- In the next three months, the Town’s next transaction with WIFA for water acquisitions will incur the same limits and require an amendment of the total pledge for everything.

Mark Reader, Financial Advisor with Stifel Nicholaus, reported that:

- He will be back in early 2015 for the two water acquisitions from the City of Prescott and Wilhoit. Per projections, there will be some revenue bonding capacity for water, but sewer needed to be stronger.
- He was hoping to refinance certain of the Town’s prior debt next year.
- While the WIFA loan projected an annual loan payment of $215,000, today’s interest rate at 1.9425% would yield an annual debt service payment of about $184,000. In addition, the benefit from the grant would reduce that percentage to 1.34%.

MOVED by Vice-Mayor Darryl Croft, seconded by Councilmember Pat McKee to adopt Resolution No. 14-1054.

Vote: 7 - 0 PASSED

3) Pursuant to A.R.S. § 38-481.03(A)(1) for discussion or consideration of employment, assignments, appointment, promotion, dismissal, salary of Town Manager Robert Smith, and pursuant to A.R.S. § 38-481.03(A)(4) for discussion or consultation with the Town Attorney in order to consider its position and instruct the Town Attorney regarding the Town's position regarding the contract with Town Manager Robert Smith. (Mayor and Council)
Council took no action on this item.

4) Consideration and possible action to approve an employment agreement with Town Manager Robert Smith or an amendment to his current agreement with the Town. (Mayor and Council)

Recommended Action: Approve an employment agreement with Town Manager Robert Smith or an amendment to his current agreement with the Town.

Council asked about the current agreement’s end date and how the additional retirement and health care benefit amounts in the new agreement will be paid out. Mr. Duffy related that when the new contract started on January 1, 2015, the previous one will stop; and the retirement and health care funds had been and will be paid out on a monthly basis, so no prorating between the two contracts were needed.

MOVED by Vice-Mayor Darryl Croft, seconded by Councilmember Lon Turner to approve employment agreement with Town Manager Robert Smith on amendment to his current agreement with the Town.

Vote: 7 - 0 PASSED

5) ADJOURNMENT

MOVED by Councilmember Mike Best, seconded by Councilmember Linda Hatch to adjourn the meeting at 6:43 p.m.

Vote: 7 - 0 PASSED

The Major Revenues are up $144,442 or 4% over the prior fiscal year. Town Sales Tax Retail is only up slightly due to the Town no longer collecting for the Pipeline Transportation Tax as a sales tax, however construction sales tax is up 57% so far this fiscal year. Water Service Fees are down due to decreased usage but appear to be recovering slightly each month.

AGENDA ITEM TITLE:
Consideration and possible action to spend up to $46,775 of Contingency Funds to fund a position for a full-time Human Resources Director for FY 2014/15. Position will be included in budget in 2015/16.

RECOMMENDED ACTION:
Move to approve up to $46,775 of Contingency Funds to fund a position for a full-time Human Resources Director, position likely to be staffed no later than 2/28/2015, for FY 2014/15.

SITUATION AND ANALYSIS:

Issue Statement
The Town has not had a Human Resources Director since March 2011, almost 4 years. A re-organization was adopted in May 2011 creating a Human Resources Analyst position who reported to the General Services Director. Part of this restructuring was due to the Human Resources Director position being vacated and the lack of financial resources within the Town to hire for this position. Although the Human Resources functions have been fulfilled over the last several years, a concentrated and progressive effort by a Human Resources professional, dedicating full-time energy, has been lacking and is important. The Town has approximately 89 full-time employees, and the need and desire for a professional in this role is necessary.

The Chino Valley Town Council has included the hiring of a Human Resources Director in the Town Manager's goals for fiscal year 2014/15. The position was posted late November 2014, and interviews were conducted 1/12/2015. Matt Weatherly, from Public Sector Personnel Consultants, has recommended a Salary Range of 35, $ 79,220 - $ 103,944. Benefits are calculated at 35% of the range, so annual salary with benefits would be $ 106,947 - $140,324. The cost for FY 2014/15, four months, would be in the range of $ 35,649 - $ 46,775, and the funds would come from the Town's contingency fund. This position will be included in the Town's budget for FY 2015 / 16.

Staff anticipates a start date no later than February 28, 2015.

AGENDA ITEM TITLE:
Consideration and possible action to adopt Ordinance No. 15-792, amending the Town of Chino Valley, Arizona Town Code Title V Public Works, Chapter 51 Utility fees, by amending Sections 51.250 Utility Service Deposits and 51.261 Fees and Assessments Due clarifying termination of utility services.

RECOMMENDED ACTION:
Adopt Ordinance No. 15-792 amending Chapter 51 of the Town of Chino Valley Town Code.

SITUATION AND ANALYSIS:

Issue Statement
Over the past several months it has become apparent that the Town Code is not clear as to the termination of water and sewer service. This ordinance is in response to a complaint and the finding of the hearing officer’s determination that the Town Code does not authorize the Town to continue requiring payment of sewer fees after an account has been terminated. This Ordinance will clarify the Town's authority.

Applicable “Policy”
N/A

Satisfaction of “Policy”
N/A

Summary of Issues and Staff Rationale
Through a recent finding by the hearing officer the existing Town Code does not speak to the termination of sewer service. The Sewer is an un-metered service, and with current technology it is not practical to attempt to meter it. This ordinance amends the Town Code to clarify that the Town's sewer service is un-metered and that the base fee for service continues whether or not the property is currently
using the service. By adopting this ordinance, the Town will have an easier time enforcing this portion of the code.

**Findings of Fact**
This code revision is necessary in order to better provide clarification of the intent and enforcement of the existing Town code.

ORDINANCE NO. 15-792

AN ORDINANCE OF THE MAYOR AND COMMON COUNCIL OF THE TOWN OF CHINO VALLEY, ARIZONA, AMENDING THE TOWN CODE OF THE TOWN OF CHINO VALLEY, ARIZONA, TITLE V: PUBLIC WORKS, CHAPTER 51: UTILITY FEES, BY AMENDING SECTIONS 51.250 UTILITY SERVICE DEPOSITS AND 51.261 FEES AND ASSESSMENTS DUE; SUBSECTIONS (C), (D) AND (E), ALL RELATED TO CLARIFYING THE RESPONSIBILITY OF THE CUSTOMER TO CONTINUE TO PAY SEWER BILLS WHEN SERVICE IS DISCONNECTED; PROVIDING FOR REPEAL OF CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING PENALTIES

WHEREAS, the Town provides wastewater collection services to the residents and businesses located within the Town of Chino Valley and has approved certain fees and charges for these services based upon a rate study, as required by and in full compliance with Arizona law; and

WHEREAS, the fees and charges approved by the Town Council are based upon, among other things, the continued payment of fees from a property once that property has been connected to the Town’s sewer system; and

WHEREAS, continued collection of the approved fees and charges is crucial to the Town’s ability to pay for the expenses of providing the services to the community and the debt service incurred in order to provide this service; and

WHEREAS, wastewater service is a non-metered service and the calculation of necessary fees and charges is based upon the number of users, not the amount of services each user requires and the effect of customers disconnecting from the service and failing to pay his portion is detrimental to the entire system and not in the best interests of the public health, safety and welfare of the community;

NOW, THEREFORE, BE IT ORDAINED by the Common Council of the Town of Chino Valley, Arizona, as follows:

Section 1. In General.

The Town Code of Chino Valley, Arizona, Title V Public Works, Chapter 51 Utility Fees, Section 51.250 Utility Service Deposits, Subsections (C), (D) and (E) are hereby amended to read as follows (additions shown in ALL CAPS; deletions shown in strikeout):

§ 51.250 UTILITY SERVICE DEPOSITS.

* * *

(C) The town will refund UTILITY SERVICE deposits OR PORTIONS THEREOF upon 1 of the following conditions IF ONE OF THE FOLLOWING OCCURS:
1. A person who paid a utility deposit and has been a town utility customer for at least one year following payment of the deposit and has a good payment record. If after 1 year the town utility customer has not demonstrated a good payment record, the deposit will not be refunded until the town utility customer has achieved a good payment record for at least one year.

2. At the town utility customer, upon notification, has provided written notice to the town to discontinue service and upon the town’s receipt of payment in full for utilities rendered, any water meter damage, or other damage to the town system for which the utility customer may be liable under this chapter. When such notification has been given to the town, the town, at its option, may, at that time, apply the applicable deposit(s) to the utility customer’s final bill or send the customer a check for the difference.

D. The town utility customer shall notify the town prior to or at the time the property to which service is provided becomes vacant. Otherwise, the town utility customer shall be responsible for all utility usage or damage to the town’s property until the town receives a vacancy notice. Thereafter, the town utility customer shall no longer be responsible for payment of metered water services but, because sewer service is a non-metered service, the town utility customer shall be responsible for payment of sewer fees at the applicable base rate until such time as the town receives notice that the property is occupied by a new town utility customer, at which time the new occupant shall be responsible for payment of the utility fees and charges.

E. The town will presume service is being rendered from the time utilities are turned on by application of the customer until the customer gives notice to discontinue service or at such time as it is apparent that the property has been vacated without notice.

The Town Code of Chino Valley, Arizona, Title V Public Works, Chapter 51 Utility Fees, Section 51.261 Utility Service Deposits, Subsections (C), (D) and (E) are hereby amended to read as follows (additions shown in ALL CAPS; deletions shown in strikeout):

§ 51.261 FEES AND ASSESSMENTS DUE.

(A) All fees and assessments are due and payable on the date billed. Water service may be discontinued for the nonpayment of any of the fees, penalties or assessments set forth in this section. Late charges of 1.5% per month of the unpaid balance due will be imposed on bills not paid within 30-22 days after the billing date.

(B) Because sewer service is an un-metered service, all monthly fees shall apply and accrue whether or not service is utilized.
(C) THE PUBLIC WORKS DIRECTOR, WITH APPROVAL OF THE TOWN MANAGER, SHALL BE AUTHORIZED TO WAIVE ALL, OR ANY PORTION OF THE DEPOSIT FEES, WATER AND SEWER MONTHLY FEES, LATE FEES AND ANY OTHER MISCELLANEOUS FEES. THE WAIVER OF ANY FEES MUST BE CONSISTENT WITH FEDERAL AND STATE LAW. IN THE EVENT THAT AN OUTSTANDING BALANCE IS OWED FROM A PREVIOUS ACCOUNT HOLDER, THE WAIVER OF ANY FEES SHALL APPLY ONLY TO A NEW ACCOUNT HOLDER.

Section 2. Providing for Repeal of Conflicting Ordinances.

All ordinances and parts of ordinances in conflict with the provisions of this Ordinance or any part of the Code adopted herein by reference, are hereby repealed.

Section 3. Providing for Severability.

If any section, subsection, sentence, clause, phrase or portion of this Ordinance or any part of the Code adopted herein by reference, is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions thereof.

Section 4. Providing for Penalties.

Penalties for violations of the provisions of this Ordinance shall be as set forth in Sections 51.275 through 51.290 of the Town Code of the Town of Chino Valley, Arizona.

AGENDA ITEM TITLE:
Review and discussion regarding the Council Appointments Subcommittee's recommendations pertaining to the Position Description and selection process for the position of Planning and Zoning Commissioner, as well as proposed amendments to the Unified Development Ordinance (UDO) Section 1.4 Planning and Zoning Commission; and possible action to direct staff to revise the procedural documents and draft an ordinance amending Unified Development Ordinance Section 1.4.

RECOMMENDED ACTION:
Review Position Description, selection process, and proposed UDO amendments; and direct staff and/or Subcommittee.

SITUATION AND ANALYSIS:

Issue Statement
On November 18, 2014, Mayor Marley and Vice-Mayor Croft brought an item to Council to discuss developing a "job description" for prospective Planning and Zoning Commissioners and changing the procedure for appointing members to the Commission. The Council referred the matter to its Appointments Subcommittee for discussion and recommendation.

The Subcommittee met on December 4, 2014 and reviewed proposals for desired qualifications, desired training, selection process, and interview questions. Development Services Director Ruth Mayday also spoke to the Subcommittee about amending UDO Section 1.4 related to the Commission to provide guidelines to Council for appointment and removal of candidates. (Exhibit A: Subcommittee Minutes)

Applicable “Policy”
- Town Code Sec. 30.071 - Gives Council the authority generally to create public bodies in general, determine their consistency and duties, and exist at the Council's pleasure.
- UDO Sec. 1.4.1 - Establishes the Commission and addresses appointment and removal of members.
Satisfaction of “Policy”
The proposed amendments and written position description and procedures will provide more detailed
guidelines for staff and Council in appointing and removing members from the Commission.

Summary of Issues and Staff Rationale
The Subcommittee discussed:

- Desired qualifications for Commission candidates (Exhibit B) related to residency, term of
  office, technical knowledge and/or experience, communication skills, meeting attendance,
  volunteer experience, consent to background check, and adherence to the Town's Code of Ethics.
- Required training for candidates (Exhibit B) related to participation in Citizens Academy, legal
  briefing by the town attorney, technical briefings by staff, and familiarity with Council's meeting
  procedure.
- Appointment process (Exhibit B).
- Amendments to UDO Section 1.4 Planning and Zoning Commission to provide clearer
  guidelines for appointing and removing commissioners (Exhibit C).

The Subcommittee directed its members and staff to review the proposed Position Description,
selection process, interview questions, and provide further suggestions to Vice-Mayor Croft, who
would finalize the documents and forward them to Council.

Findings of Fact
The Council desired more defined procedures for appointment to the Commission.
The Appointments Subcommittee and staff have developed guidelines, procedures, and UDO
amendment to address this.

5a) Consideration and possible action regarding the procedure for appointing members to the Planning and Zoning Commission.

On November 18, 2014, Mayor Marley and Vice-Mayor Croft brought an item to Council to discuss the procedure for appointing members to the Planning and Zoning Commission.

Council referred the matter to the Appointments Subcommittee to discuss and make a recommendation.

Vice-Mayor Croft handed out proposed desired qualifications and training for Commission candidates, and appointment process for review and comment.

Desired Qualifications for Commission Candidates

The group reviewed proposed qualifications related to residency, term lengths, knowledge and experience, communication skills, commitment, and agreement to a background check. They discussed:

- whether or not the Town could or should allow non-residents who were either business owners or property owners in Town to sit on the Commission; and
- adding adherence to the Town’s Code of Ethics to the qualifications.
Desired Training for Candidates
The group reviewed proposed required training related to the Chamber’s Citizens Academy, legal briefing, technical briefings, and Council meeting attendance. They discussed:
• adding a timeframe to the Council meeting attendance requirement.

Selection Process
The group reviewed the proposed selection process related to application, interview, recommendation to Council, training, and follow-up performance review. The group also reviewed UDO Sec. 1.4 Planning and Zoning Commission and proposed interview questions. The group then discussed:
• Commissioners being willing to learn, open minded, and able to take direction; and the selected interview questions addressing those things;
• rewriting UDO Sec. 1.4 to codify the selection process and provide guidelines for performance review and removal from the Commission;
• each member of the Subcommittee attending a Commission meeting on a rotational basis and reporting back to the Subcommittee if any commissioner appeared to be acting outside of approved regulations.

Subcommittee Instruction to Members/Staff
• Ms. Mayday to draft changes to the UDO and send them out to the Subcommittee for review and comment.
• Subcommittee and staff to send any further comments or recommendations regarding qualifications, training, selection process, or interview questions to Vice-Mayor Croft before the end of next week.
• Ms. Lewis to place this item on Council’s January 13 meeting for their consent and giving the Subcommittee the authority to modify the non-codified procedures without Council approval, as needed.
• Vice-Mayor Croft to attend the Commission’s January 2015 meeting.
• Ms. Lewis to schedule interviews in open, not closed, session.
• Subcommittee or staff to provide interview questions to applicants 30 minutes prior to interview.

Related Topics to Discuss at a Future Meeting
• Possibly extending some of these requirements to other public bodies that carried a larger risk.
• Directing the chair of each public body to inform a Subcommittee member of any attendance, or ethical issues with public body members.
• Requiring all public body members to attend a Citizens Academy.

6) ADJOURN

Vice-Mayor Croft adjourned the meeting at 4:55 p.m.
