Dear Cochise County Board of Supervisors:

It has come to our attention that there is a vacancy on the Arizona@Work—Southeastern Arizona Board of Directors, and we would like to nominate Samuel Curtis, owner of Valley Furniture and America's Mattress of Safford.

Prior to acquiring these businesses a year ago, Sam directed the operations at Valley Furniture and has been an employee for 24 years. His experience in human resources and workforce development makes him a uniquely qualified candidate for this board position. He would bring invaluable skills and insight.

Thank you for considering this nomination. If you have any questions, please contact our Executive Director, Vance Bryce, at 928-792-8661 or [director@graham-chamber.com](mailto:director@graham-chamber.com). From all of us at the Graham County Chamber of Commerce, thank you very much.
