- II. Other applicable Federal statutes.
- III. Consolidated Appropriations Act, 2021 (Public Law 116-260) dated December 27, 2020.
- IV. Implementing Regulations.
- V. Executive Orders and Presidential Memoranda.
- VI. The Office of Management and Budget (OMB) Guidance, including the Uniform Guidance at 2 CFR 200 and 2900.
- VII. The U.S. Department of Labor (DOL)/Employment and Training Administration (ETA) Directives.
- VIII. Terms and conditions of this award.

## **2. Notice of Award**

The funds that are provided under this NOA must be expended according to all applicable Federal statutes, regulations and policies, including those of the Workforce Innovation and Opportunity Act (WIOA), the applicable approved WIOA State Plan (including approved modifications and amendments to the plan), and any waiver plan approved under WIOA Section 189(i)(3) or Workforce Flexibility (Workflex) plan approved under WIOA Section 190, the negotiated performance levels and policies established pursuant to the Secretary's authority under WIOA Section 116, and the applicable provisions in the appropriations act(s).

The funds shall be obligated and allocated via a NOA grant modification. These obligations and expenditures may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA.

## **3. Training and Employment Guidance Letter (TEGL) No. 19-20**

Training and Employment Guidance Letter (TEGL) No. 19-20 and any amendments [https://wdr.doleta.gov/directives/corr\\_doc.cfm?DOCN=4427](https://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=4427) are hereby incorporated into this Grant Agreement. Award recipients are bound by the authorizations, restrictions, and requirements contained in the TEGL. Therefore, the expenditure of grant funds by the award recipient certifies that (your organization has read and will comply with all the parts that are contained in the Notice of Award (NOA)).

## 4. Administrative Law Judge Removal of Award

By drawing down funds, your organization as the award recipient agrees to the provisions of 20 CFR 683.820(b)(6), which states:

*“Any organization selected and/or funded under WIOA Title I, Subtitle D, is subject to having its award removed if an Administrative Law Judge (ALJ) decision so orders. As part of this process, the Grant Officer will provide instructions on transition and closeout to both the newly selected grantee and to the grantee whose positions is affected or which is being removed.”*

## 5. Federal Project Officer

The DOL/ETA Federal Project Officer (FPO) for this award is:

Name: Jeffrey Patton  
Telephone: 415- 625-7945  
E-mail: [Patton.Jeffrey.D@dol.gov](mailto:Patton.Jeffrey.D@dol.gov)

The FPO is not authorized to change any of the terms or conditions of the award, or approve prior approval requests. Any changes to the terms or conditions or prior approvals must be approved by the Grant Officer through the use of a formally executed award modification process.

## 6. Approved Budget

The grant award recipient’s budget documents are attached in this NOA. The documents are: 1) the SF-424, included as Attachment A. As the grant award recipient, the grantee must confirm that all costs are allowable before creating any expenses. Pursuant to 2 CFR 2900.1, the approval of the budget as awarded does not constitute prior approval of those items specified in 2 CFR part 200 or as a part of the grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

Any changes to the budget that impact the Statement of Work (SOW) and agreed upon outcomes or deliverables will require a request for modification and prior approval from the Grant Officer.

If the period of performance will include multiple budget periods, subsequent budget periods are subject to the availability of funds, program authority, satisfactory performance, and compliance terms and conditions of the Federal award.

## **7. Return of Funds**

DOL/ETA does not accept paper checks for any type of returned funds. For active grants, all returns of funds are to be submitted electronically through the PMS operated by the U.S. Department of Health and Human Services (HHS) via the same method as a drawdown. For grants that have been cancelled or are expired (typically older than five years), incoming payments, including returns and recoveries to DOL, must be made via the Pay.gov website (<https://www.pay.gov/public/form/start/177233981>).

If there are questions regarding the return of funds or your organization no longer has access to PMS, contact the DOL, ETA, Office of Financial Administration via email at: [ETA-ARteam@dol.gov](mailto:ETA-ARteam@dol.gov) for further assistance.

## **8. Evaluation, Data, and Implementation**

As the grant award recipient, the grantee must cooperate during the implementation of a third-party evaluation. This means providing DOL or its authorized contractor with the appropriate data and access to program operating personnel and participants in a timely manner.

## **9. Cost Limitation Restrictions**

### **a. Administrative Costs**

Administrative costs are defined in the WIOA at 20 CFR 683.215. Limitations on administrative costs are described at 20 CFR 683.205. Under no circumstances may the administrative costs exceed these limits. The grant recipient will be monitored for compliance with the administrative cost limits throughout the grant's period of performance. Any amounts that exceed these limitations will be disallowed and subject to debt collection.

### **b. PY 2019 Administrative Costs Limit Change – Coronavirus Aid, Relief, and Economic Security (CARES) Act**

Pursuant to Public Law 116-136 (the CARES Act), and notwithstanding WIOA section 128(b)(4), for PY 2019, not more than 20% of the total amount allocated to a local area may be used for the administrative costs of carrying out local workforce investment activities under WIOA Chapter 2 (Youth Workforce Investment Activities) and Chapter 3 (Adult and Dislocated Worker Employment and Training Activities), if the portion of the total amount of administrative costs that exceeds 10% of the total amount allocated is used to respond to a qualifying emergency.

### **c. PY 2019 Rapid Response Activities Change – CARES Act**

Pursuant to Public Law 116-136 (the CARES Act), the funds reserved by a Governor for PY 2019 for statewide activities under WIOA 128(a) that remain unobligated may be used for statewide rapid response activities as described in WIOA 134(a)(2)(A) for responding to a qualifying emergency.

**d. Single Audit Submission Deadline Extension Related to COVID-19**

In [OMB Memorandum M-20-17](#), OMB offered an extension of Single Audit submission deadlines for fiscal years ending June 30, 2020 to allow recipients and subrecipients a responsible transition to normal operations. This flexibility was extended through December 31, 2020 by [OMB Memorandum 20-26](#).

In [OMB Memorandum M-21-20](#), Appendix 3, Item IX, OMB has offered an additional extension of Single Audit submission deadlines for fiscal years ending June 30, 2021. Award recipients and subrecipients that have not yet filed their single audits with the Federal Audit Clearinghouse as of March 19, 2021 that have fiscal year-ends through June 30, 2021 may delay the completion and submission of the Single Audit reporting package, as required under 2 CFR § 200.501 (Audit Requirements), to six (6) months beyond the normal due date. This extension does not require individual recipients and subrecipients to seek approval for the extension by the cognizant or oversight agency for audit; however, recipients and subrecipients should maintain documentation of the reason for the delayed filing.

**e. Budget Flexibility**

Federal recipients are not permitted to make transfers that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes that impact the SOW and agreed upon outcomes or deliverables require a request for modification and approval from the Grant Officer.

As directed in 2 CFR 200.308(e), for programs where the Federal share is over the Simplified Acquisition Threshold (SAT) (currently \$250,000), the transfer of funds among direct cost categories or programs, functions, and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10% of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF424(a) do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget. It is recommended that the assigned FPO review any within-line changes to the grant award recipient's budget prior to implementation to ensure they do not require a modification.

For programs where the Federal share of the project is below the SAT of \$250,000, recipients are not required to obtain the Grant Officer's approval when transferring funds among direct cost categories.

**f. Consultants**

For the purposes of this grant award, the ETA's Grant Officer has determined that fees paid to a consultant who provides services under a program shall be limited to \$750.00 a day (representing an eight-hour workday). Such costs must be reasonable, allocable and allowable to the program. Any fees paid in excess of this amount cannot be paid without prior approval from the Grant Officer.

**g. Non-Federal Share (Match or Cost Share)**

This grant award does not include a match requirement.

**h. Travel**

This award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.475. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the non-Federal entity's written policies and procedures. All travel must also comply with Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a U.S. Flag air carrier if service provided by such carrier is available.

**i. Travel – Foreign**

Funds that are awarded and authorized to carry out an activity under WIOA, Subtitle B cannot be used for foreign travel.

**j. Travel – Mileage Reimbursement Rates**

Pursuant to 2 CFR 200.475(a), all award recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal grant award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. Mileage rates must be checked annually at [www.gsa.gov/mileage](http://www.gsa.gov/mileage) to ensure compliance.

**k. WIOA Infrastructure**

WIOA, Section 121(b)(1)(B) and 20 CFR 678.400 require the following programs to be One-Stop partners:

- A. WIOA, Title I programs: Adult, Dislocated Worker, and Youth formula programs, Job Corps, YouthBuild, Native American programs, National Dislocated Worker Grants (DWG), and NFJP;
- B. Wagner-Peyser Act Employment Service (ES) program authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.), as amended by WIOA, Title III;
- C. SCSEP authorized under Title V of the Older Americans Act of 1965;
- D. Trade Adjustment Assistance (TAA) activities authorized under Chapter 2 of Title II of the Trade Act of 1974;
- E. Unemployment Compensation (UC) programs;
- F. Jobs for Veterans State Grants (JVSG) programs authorized under Chapter 41 of Title 38, U.S.C.; and
- G. Reentry Employment Opportunities (REO) programs (formerly known as the Reintegration of Ex-Offenders Program (RExO) awarded prior to January 1, 2019 which were authorized under Section 212 of the Second Chance Act of 2007 (42 U.S.C. 17532).

With the exception of Native American programs established under WIOA, Section 166 all One-Stop partner programs including all programs that are funded under Title I of WIOA are required to contribute to the infrastructure costs and certain additional costs of the One-Stop delivery system in proportion to their use and relative benefits received, per 20 CFR 678.700 and 678.760. While Native American programs are not required to contribute to infrastructure costs per WIOA Section 121(h)(2)(D)(iv), they are strongly encouraged to contribute as stated in TEGE No. 17-16. The sharing and allocation of infrastructure costs between One-Stop partners is governed by WIOA Section 121(h), WIOA's implementing regulations, and the Federal Cost Principles contained in the Uniform Guidance at 2 CFR part 200 and DOL's exceptions at 2 CFR part 2900. The Federal Cost Principles state that a partner's contribution is an allowable, reasonable, necessary, and allocable cost to the program and is consistent with other legal requirements.

## 10. Administrative Requirements

### a. SF-424, Application for Federal Assistance, and SF-424B, Assurances and Certifications

The signed SF-424, Application for Federal Assistance, has been included as an attachment to this grant award. The individual that signed the SF-424 on behalf of the applicant is considered the Authorized Representative of the applicant. As stated in block 21 of the SF-424 form, the signature of the Authorized Representative on the SF-424 certifies that the grant award recipient is in compliance with the Assurances and Certifications form SF-424B (available at <http://apply07.grants.gov/apply/forms/sample/SF424B-V1.1.pdf>). *The grant award recipient does not need to submit the SF-424B form separately.*

### b. Audits

Organization-wide or program-specific audits must be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance. DOL awards recipients that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB's approved exception at 2 CFR 2900.2 expands the definition of 'non-Federal entity' to include for-profit entities and foreign entities. As such, for-profit and foreign entities that are recipients/subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200, including Subpart F. Audits of direct award recipients that are for-profit and foreign entities must be submitted directly to: USDOL ETA-OGM, Attn: Audit Resolution, 200 Constitution Ave NW, Room N4716, Washington, DC 20210. All other audit reports are submitted through the Federal Audit Clearinghouse.

### c. Revisions to the Uniform Guidance

The Office of Management and Budget issued revisions to 2 CFR parts 25, 170, 183, and 200 (the Uniform Guidance) on August 13, 2020. These revisions became effective November 12, 2020, except for the amendments to §§ 200.216 and 200.340, which were immediately effective on August 13, 2020. The grant award recipient must operate in compliance with these revised regulations. Please note that the section numbering in the

Uniform Guidance has changed in some instances, and this Terms & Conditions document has been updated accordingly.

#### **d. Changes in Micro-purchase and Simplified Acquisition Thresholds**

OMB's memorandum M-18-18, issued on June 20, 2018, increased the threshold for micro-purchases under Federal financial assistance awards from \$3,500 to \$10,000 and the threshold for simplified acquisitions under Federal financial assistance awards from \$100,000 to \$250,000. These two threshold increases were effective for all of ETA's grant recipients as of October 1, 2018. All ETA grant recipients should carefully review the above-referenced memorandum and make any necessary updates to their financial and administrative policies, procedures, and systems as a result of these threshold increases.

#### **e. Closeout/Final Year Requirements**

At the end of the grant period, the award recipient will be required to close the grant with the ETA. The grant recipient will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin when the period of performance ends. See <https://www.dol.gov/agencies/eta/grants/management/closeout> for further information on the closeout process. The recipient's responsibilities at closeout may be found at 2 CFR 200.344. During the closeout process, the grant recipient must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the required documentation is a NICRA or CAP issued by the grantee's FCA. For those approved to utilize a de minimis rate for indirect costs, the grant agreement is sufficient documentation. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection.

The only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the grant period (2 CFR 2900.15).

#### **f. Equipment**

The requirement that grant recipients obtain prior approval from the Grant Officer for all purchases of equipment (as described in 2 CFR 200.439) is waived in accordance with 2 CFR 200.308(c)(4) and 20 CFR 683.200, and approval authority is delegated to the Governor for programs funded under Section 127 (Youth) or Section 132 (Adult & Dislocated Worker) of WIOA or under the Wagner-Peyser Act. Notwithstanding this waiver, the Grant Officer reserves the right to reimpose the requirement of prior approval, after providing advance notice to the grant recipient.

## **l. Recipient Integrity and Performance Matters**

1. If the total value of the currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then the grant award recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in Paragraph 2 of this award term and condition. This is a statutory requirement under Section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by Section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.
2. Proceedings about which the grant recipient must report. Submit the information required about each proceeding that:
  - a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
  - b. Reached its final disposition during the most recent 5-year period; and
  - c. Is one of the following:
    - I. A criminal proceeding that resulted in a conviction, as defined in Paragraph 5. of this award term;
    - II. A civil proceeding that resulted in a finding of fault and liability and paying a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
    - III. An administrative proceeding, as defined in Paragraph 5. of this award term, that resulted in a finding of fault and liability and grantee payment of either

monetary fine or penalty of \$5,000 or more or a reimbursement, restitution, or damages in excess of \$100,000; or

- IV. Any other criminal, civil, or administrative proceeding if:
  - (A) It could have led to an outcome described in Paragraph 2.c.I, II, or III of this award term;
  - (B) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on the grantee's part; and
  - (C) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.
3. Reporting procedures. Enter in SAM, Entity Management area (formerly CCR), or any successor system, the FAPIIS information that SAM requires about each proceeding described in Paragraph 2. of this award term. The grant award recipient does not need to submit the information a second time under assistance awards that were received if the recipient already provided the information through SAM (formerly CCR) because the recipient was required to do so under Federal procurement contracts that the recipient was awarded.
4. Reporting frequency. During any period of time when the grant award recipient is a subject to the requirement in paragraph 1. of this award term, the grantee must report FAPIIS information through SAM no less frequently than semiannually following the initial report of any proceedings for the most recent 5-year period, either to report new information about any proceeding(s) that the grantee has not reported previously or affirm that there is no new information to report.
5. Definitions. For purposes of this award term:
  - a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., SEC Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level. It does not include audits, site visits, corrective plans, or inspection of deliverables.
  - b. Conviction, for purposes of this award term, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.
  - c. Total value of currently active grants, cooperative agreements, and procurement contracts includes —
    - I. Only the Federal share of the funding under any award with a recipient cost share or match; and
    - II. The value of all options, even if not yet exercised.

### **m. Reports**

All ETA grant award recipients are required to submit quarterly financial and narrative progress reports for each grant award.

- a. **Quarterly Financial Reports.** All ETA grant award recipients are required to report financial data on the ETA-9130 Financial Report. ETA-9130 reports are due no later than 45 calendar days after the end of each specified reporting quarter. Reporting quarter end dates are March 31, June 30, September 30, and December 31. A final financial report must be submitted no later than 45 calendar days after the quarter encompassing the grant award end date ends, or 45 calendar days after the completion of the quarter in which all funds have been expended, whichever comes first. For grants awarded before November 12, 2020, a closeout ETA-9130 report must be submitted no later than 90 calendar days after the grant period of performance ends. For grants awarded after November 12, 2020, a closeout ETA-9130 report must be submitted no later than 120 calendar days after the grant period of performance ends. See 2 CFR 200.344. A closeout report will be submitted during the closeout process. For additional guidance on ETA's financial reporting, reference TEGl 20-19 and [https://www.doleta.gov/grants/pdf/ETA-9130\\_Financial\\_Reporting\\_Resources.pdf](https://www.doleta.gov/grants/pdf/ETA-9130_Financial_Reporting_Resources.pdf)

The instructions for accessing both the online financial reporting system and the HHS PMS can be found in the transmittal memo accompanying this NOA.

### **n. Requirements for Conference and Conference Space**

Conferences sponsored in whole or in part by the grant award recipient are allowable if the conference is necessary and reasonable for the successful performance of the Federal Award. The grant award recipients are urged to use discretion and good judgment to ensure that all conference costs charged to the grant are appropriate and allowable. For more information on the requirements and the allowability of costs associated with conferences, refer to 2 CFR 200.432. Recipients will be held accountable to the requirements in 2 CFR 200.432. Therefore, costs that do not comply with 2 CFR 200.432 will be questioned and may be disallowed.

### **o. Subawards**

A *subaward* means an award provided by a *Pass-Through Entity* (PTE) to a subrecipient for the subrecipient to carry out part of a Federal award received by the PTE. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the PTE considers a contract.

The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. The recipient is responsible for monitoring the subrecipient, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipient complies with all applicable regulations and the Terms and Conditions of this award (2 CFR 200.101(b)).

#### **p. Supportive Services & Participant Support Costs**

When supportive services are expressly authorized by a program statute, regulation, or FOA, this award waives the prior approval requirement for participant support costs as described in 2 CFR 200.456. Costs must still meet the basic considerations at 2 CFR 200.402 – 200.411. Questions regarding supportive services and participant support costs should be directed to the FPO who is assigned to the grant.

#### **q. System for Award Management (SAM)**

SAM is the official federal system that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of contract awards, grants, and electronic payment processes. A SAM registration is required for an entity to be able to apply for federal grants, to request modifications to existing grants, and to enable them to closeout expiring grants. See Training and Employment Notice 18-17 for additional guidance.

Unless the grant award recipient is exempt from this requirement under 2 CFR 25.110, the grantee must maintain current its information in the SAM. This includes information on the recipient's immediate and highest level owner and subsidiaries, as well as on all of the recipient's predecessors that have been awarded a Federal contract or Federal financial assistance within the last three years, if applicable, until the grantee submits the final financial report required under this Federal award or receive the final payment, whichever is later. This requires that the grantee review and update the information at least annually after the initial registration, and more frequently if required by changes in its information or another Federal award term.

#### **1. Unique Entity Identifier Requirements**

If the grant award recipient is authorized to make subawards under this award, then the grantee:

- i. Must notify potential subrecipients that no entity (see definitions below) may receive a subaward from the grant award recipient until the entity has provided its unique entity identifier to the grantee.
- ii. May not make a subaward to an entity unless the entity has provided its Unique Entity Identifier to the grantee. Subrecipients are not required to obtain an active SAM registration, but must obtain a Unique Entity Identifier.

NOTE: At some point, the DUNS Number will be replaced by a new, non-proprietary identifier requested in and assigned by SAM.gov. This new identifier is being called the Unique Entity Identifier (UEI), or the Entity ID. Users should continue using the DUNS Number in UEI fields until further notice. To learn more about SAM's rollout of the UEI, please visit [gsa.gov/entityid](https://gsa.gov/entityid).

#### **2. Definitions**

For purposes of this term:

- i. SAM is the Federal repository where the grant award recipients must provide information required for the conduct of business as recipients. Additional

information about registration procedures may be found at the SAM website (<http://www.sam.gov>).

ii. *Unique entity identifier* means the identifier assigned by SAM to uniquely identify business entities.

iii. *Entity*, as it is used in this grant award term, includes all of the following, as defined at 2 CFR Part 25, Appendix A:

- a. A non-Federal entity as defined at 2 CFR 200.1 (A State, local government, Indian Tribe, Institute of Higher Education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient);
- b. A foreign organization;
- c. A foreign public entity;
- d. A domestic for-profit organization; and
- e. A Federal agency.

iv. *Subaward* means:

An award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

v. *Subrecipient* means:

An entity, usually but not limited to non-Federal entities, that receives a subaward from a pass-through entity to carry out part of a Federal award; but does not include an individual that is a beneficiary of such award. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

### **3. Existing SAM Registrants**

ETA advises grant recipients registered in SAM to review their registration information, particularly their financial information and points of contact. Assistance is available by contacting the Federal Service Desk at [www.fsd.gov](http://www.fsd.gov). Grant recipients should contact ETA at [ETAAccountingGrants@dol.gov](mailto:ETAAccountingGrants@dol.gov) if they find that payments have been paid to a bank account other than their registered bank account.

ETA further encourages grant recipients to review the expiration date of their SAM registration and begin the renewal process well in advance, to ensure that their registration remains valid. If the grant recipient has not logged in and updated its entity registration record within at least the past 365 days, its record will expire and go into inactive status. Timely renewal will ensure that the grant recipient can continue to request and receive modifications to their existing grants, as well as apply for new funding opportunities. Further, the DUNS and EIN numbers must remain active until the grant award closeout process is fully completed.

## 4. Validation

ETA routinely checks the validity of a grant recipient's SAM registration and verifies that the recipient isn't included on the excluded parties list before making a grant award, or approving a modification to an existing award. Failure to have an active SAM registration can delay grant recipients from receiving their initial award or requested modifications to their existing awards.

### r. Vendor/Contractor

The term "contractor," sometimes referred to as a vendor, is a dealer, distributor, merchant or other seller providing goods or services that are required to implement a Federal program (see 2 CFR 200.1). These goods or services may be for an organization's own use or for the use of the beneficiaries of the Federal program. Additional guidance on distinguishing between a subrecipient and a contractor (vendor) is provided in 2 CFR 200.331. When procuring contractors for goods and services, DOL/ETA recipients and subrecipients, must follow the procurement requirements found at 2 CFR 200.319, except states, pursuant to 2 CFR 200.317, which calls for free and open competition.

### s. Whistleblower Protection

This grant award and employees working on this grant award are subject to the whistleblower rights and remedies established at 41 U.S.C. 4712. The grant award recipient shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation (48 CFR 3.908; note that for the purpose of this term and condition, use of the term "contract," "contractor," "subcontract," or "subcontractor" in section 3.908 should be read as "grant," "grantee," "subgrant," or "subgrantee"). The recipient shall insert the substance of this clause in all subgrants and contracts over the Simplified Acquisition Threshold.

### t. Telecommunications

Title 2 CFR §200.216 Prohibition on certain telecommunications and video surveillance services or equipment. (Effective August 13, 2020)

(a) Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to: (1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also §200.471.

#### **u. Intellectual Property Rights**

The Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant; and ii) any rights of copyright to which the grant award recipient, subrecipient or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise.

Federal funds may not be used to pay any royalty or license fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the DOL/ETA has a license or rights of free use in such work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping.

If revenues are generated by selling products developed with grant funds, including intellectual property, these revenues are considered as program income. Program income must be used in accordance with the provisions of this grant award and 2 CFR 200.307.

The following language must be on all workforce products developed in whole or in part with grant funds:

*“This workforce product was funded by a grant awarded by the U.S. Department of Labor (DOL) ’s Employment and Training Administration (ETA). The product was created by the recipient and does not necessarily reflect the official position of DOL/ETA. DOL/ETA makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it.”*

#### **v. Domestic Preferences for Procurements**

As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of 2 CFR Part 200.322 must be included in all subawards including all contracts and purchase orders for work or products under this award.

#### **w. Funding for Pay-For-Performance Contract Strategies**

If any subrecipients (Local Workforce Development Boards (LWDBs)) of the grant recipient elect to set aside funds for pay-for-performance (PFP) contract strategies under 20 CFR 683.520, a separate grant agreement must be created to administer these funds. The grant recipient must provide sufficient notice to the Grant Officer, through its FPO, of any LWDB’s decision to reserve up to 10% of its total local Adult/Dislocated Worker or Youth allotment for PFP contract strategies so that a new grant agreement can be issued to cover those funds. The grant recipient should inform its FPO as soon as an amount to be reserved under this provision has been finalized.

## **11. Program Requirements**

Training and Employment Guidance Letter (TEGL) No. 19-20 contains the program requirements for this award.

## **12. FY 2021 Federal Appropriations Requirements**

#### **a. Requirement to Provide Certain Information in Public Communications**

Pursuant to P.L. 116-260, Division H, Title V, Section 505, when issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all non-Federal entities receiving Federal funds shall clearly state:

1. The percentage of the total costs of the program or project which will be financed with Federal money;
2. The dollar amount of Federal funds for the project or program; and
3. The percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

The requirements of this term are separate from those in 2 CFR Part 200 and, when applicable, both must be complied with.

#### **b. Fair Labor Standards Act Amendment for Major Disasters**

Pursuant to P.L. 116-260, Division H, Title I, Section 108, the Fair Labor Standards Act of 1938 (FLSA) will apply as if the following language was added to Section 7 (the Maximum Hours Worked Section). This language specifically relates to occurrences of a major disaster (as declared or designated by the state or federal government) and are applied for a period of two years afterwards. The language is as follows:

- “(s)(1) The provisions of this section [maximum hours worked] shall not apply for a period of 2 years after the occurrence of a major disaster to any employee—
- (A) employed to adjust or evaluate claims resulting from or relating to such major disaster, by an employer not engaged, directly or through an affiliate, in underwriting, selling, or marketing property, casualty, or liability insurance policies or contracts;
  - (B) who receives from such employer on average weekly compensation of not less than \$591.00 per week or any minimum weekly amount established by the Secretary, whichever is greater, for the number of weeks such employee is engaged in any of the activities described in subparagraph (C); and (C) whose duties include any of the following:
    - (i) interviewing insured individuals, individuals who suffered injuries or other damages or losses arising from or relating to a disaster, witnesses, or physicians;
    - (ii) inspecting property damage or reviewing factual information to prepare damage estimates;
    - (iii) evaluating and making recommendations regarding coverage or compensability of claims or determining liability or value aspects of claims;
    - (iv) negotiating settlements; or
    - (v) making recommendations regarding litigation.
- (2) The exemption in this subsection shall not affect the exemption provided by section 13(a)(1) [of the FLSA].
- (3) For purposes of this subsection—
- (A) the term ‘major disaster’ means any disaster or catastrophe declared or designated by any State or Federal agency or department;
  - (B) the term ‘employee employed to adjust or evaluate claims resulting from or relating to such major disaster’ means an individual who timely secured or secures a license required by applicable law to engage in and perform the activities described in clauses (i) through (v) of paragraph (1)(C) relating to a major disaster, and is employed by an employer that maintains worker compensation insurance coverage or protection for its employees, if required by

applicable law, and withholds applicable Federal, State, and local income and payroll taxes from the wages, salaries and any benefits of such employees; and (C) the term ‘affiliate’ means a company that, by reason of ownership or control of 25% or more of the outstanding shares of any class of voting securities of one or more companies, directly or indirectly, controls, is controlled by, or is under common control with, another company.”

#### **c. Health Benefits Coverage for Contraceptives**

Federal funds may not be used to enter into or renew a contract which includes a provision for prescription drug coverage unless the contract also includes a provision for contraceptive coverage. This requirement does not apply to contracts with 1) the religious plans Personal Care’s HMO and OSF HealthPlans, Inc. and 2) any existing or future plan if the carrier for the plan objects to such coverage on the basis of religious beliefs.

In implementing this section, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individuals’ religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion related services.

#### **d. Privacy Act**

No funds can be used in contravention of 5 U.S.C. 552a (the Privacy Act) or regulations implementing the Privacy Act.

#### **e. Prohibition on Contracting with Corporations with Felony Criminal Convictions**

The recipient may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months.

#### **f. Prohibition on Contracting with Corporations with Unpaid Tax Liabilities**

The grant award recipient may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

#### **g. Prohibition on Procuring Goods Obtained Through Child Labor**

Pursuant to P.L. 116-260, Division H, Title I, Section 103, no funds may be obligated or expended for the procurement of goods mined, produced, manufactured, or harvested or services rendered, in whole or in part, by forced or indentured child labor in industries

and host countries identified by the DOL prior to December 20, 2019. DOL has identified these goods and services here: <https://www.dol.gov/agencies/ilab/reports/child-labor/list-of-products>.

#### **h. Prohibition on Providing Federal Funds to Association of Community Organizations for Reform Now (ACORN)**

#### **i. Reporting of Waste, Fraud and Abuse**

No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

#### **j. Requirement for Blocking Pornography**

Pursuant to P.L. 116-260, Division H, Title V, Section 520, no Federal funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

#### **k. Restriction on Health Benefits Coverage for Abortions**

Pursuant to P.L. 116-260, Division H, Title V, Section 506 and 507, Federal funds may not be expended for health benefits coverage that includes coverage of abortions, except when the pregnancy is the result of rape or incest, or in the case where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself that would, as certified by a physician, place the women in danger of death unless an abortion is performed. This restriction does not prohibit any non-Federal entity from providing health benefits coverage for abortions when all funds for that specific benefit do not come from a Federal source. Additionally, no funds made available through this grant award may be provided to a State or local government if such government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

#### **l. Restriction on Lobbying/Advocacy**

Pursuant to P.L. 116-260, Division H, Title V, Section 503, no federal funds may be used to pay the salary or expenses of any grant recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or executive order proposed or pending before the Congress or any state government, state legislature or local legislature or legislative body, other than for normal and recognized executive–legislative relationships or participation

by an agency or officer of a state, local or tribal government in policymaking and administrative processes within the executive branch of that government.

#### **m. Publicity**

Pursuant to P.L. 116-260, Division H, Title V, Section 503, the grant award recipient is not authorized to use any funds provided under this grant award—other than for normal and recognized executive–legislative relationships—for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation, designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself.

#### **n. Restriction on the Promotion of Drug Legalization**

Pursuant to P.L. 116-260, Division H, Title V, Section 509, no Federal funds shall be used for any activity that promotes the legalization of any drug or other substance included in Schedule I of the schedules of controlled substances established under Section 202 of the Controlled Substances Act except for normal and recognized executive-congressional communications or where there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance or that federally sponsored clinical trials are being conducted to determine therapeutic advantage.

#### **o. Restriction on Purchase of Sterile Needles or Syringes**

Pursuant to P.L. 116-260, Division H, Title V, Section 527, no Federal funds shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug.

#### **p. Salary and Bonus Limitations**

Pursuant to P.L. 116-260, Division H, Title I, Section 105, recipients and subrecipients shall not use funds to pay the salary and bonuses of an individual, either as direct costs or as indirect costs, at a rate in excess of Executive Level II. The Executive Level II salary may change yearly and is located on the OPM.gov website (<https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/>). The salary and bonus limitation does not apply to contractors (vendors) providing goods and services as defined in 2 CFR 200.331. Where States are recipients of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients, taking into account factors including the relative cost-of-living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer Federal programs involved including ETA programs. See TEGL 5-06 for further clarification, available at [http://wdr.doleta.gov/directives/corr\\_doc.cfm?DOCN=2262](http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2262) .

## 13. Public Policy

### a. Architectural Barriers

The Architectural Barriers Act of 1968, 42 U.S.C. 4151 et seq., as amended, the Federal Property Management Regulations (see 41 CFR 102-76), and the Uniform Federal Accessibility Standards issued by the U.S. General Services Administration (GSA) (see 36 CFR 1191, Appendixes C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with grant support must comply with these requirements.

### b. Drug-Free Workplace

The Drug-Free Workplace Act of 1988, 41 U.S.C. 702 et seq., and 2 CFR 182 require that all award recipients receiving grants from any Federal agency maintain a drug-free workplace. The award recipient must notify the awarding office if an employee of the recipient is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for suspension or debarment.

### c. Executive Orders

**12928:** Pursuant to Executive Order (EO) 12928, the grant award recipient is strongly encouraged to provide subcontracting/subgranting opportunities to Historically Black Colleges and Universities and other Minority Institutions such as Hispanic-Serving Institutions and Tribal Colleges and Universities; and to Small Businesses Owned and Controlled by Socially and Economically Disadvantaged Individuals.

**13043:** Pursuant to EO 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, the grant award recipients are encouraged to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented, or personally owned vehicles.

**13166:** As clarified by EO 13166, Improving Access to Services for Persons with Limited English Proficiency, dated August 11, 2000, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, recipients must take reasonable steps to ensure that LEP persons have meaningful access to programs in accordance with DOL's Policy Guidance on the Prohibition of National Origin Discrimination as it Affects Persons with Limited English Proficiency [05/29/2003] Volume 68, Number 103, pages 32289-32305. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. The grant award recipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding your LEP obligations, go to <http://www.lep.gov>.

The Jobs for Veterans Act (Public Law 107-288) requires grant award recipients to provide priority service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by the DOL. The regulations implementing this priority of service can be found at 20 CFR Part 1010. In circumstances where a grant award recipient must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the grant award recipient give the veteran or eligible spouse priority of service by first providing

ETA's TEGL No. 10-09 (issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by DOL. TEGL No. 10-09 is available at [http://wdr.doleta.gov/directives/corr\\_doc.cfm?DOCN=2816](http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2816).
