☐ **Homeless Projects funded with HTF, HPF or COC.** To the extent that the changes cause the schedule timeline to be extended, Recipient must submit a written request for a contract amendment to ADOH with a revised *Schedule of Completion and Performance Report* attached. The first re-allocation of funds if applicable would occur at six (6) months with additional re-allocations, if needed, at the eight (8) month and ten (10) month time periods.

Section 9. BUDGET

Recipient agrees to use the funds provided pursuant to this Agreement in accordance with the Budget that is attached as Attachment C. Recipient further agrees that any project costs, unless otherwise specified, exceeding the Budget shall be the sole responsibility of Recipient.

Availability of funding under this Agreement is contingent on final review and approval of the Budget. Budgetary considerations for specific programs are described below:

☐ **CDBG Revisions to the Budget.** Recipient must obtain written approval from ADOH to move funds from one Budget Activity Line Item to another. The following substantial revisions to the *Budget* require a contract amendment:

(a) Funds are moved from one Budget Activity Line Item to another and the change in the Budget Activity Line from which it is moved or to which it is being moved exceeds fifty percent (50%), unless the move is from administration to a non-administration activity, in which case only written notice without a contract amendment is required;

(b) Additional funding sources are added to the Project;

(c) Recipient is requesting a change to the grant terms.
HOME, HOPWA, HPF, NHTF and HTF Revisions to the Budget. Recipient must obtain prior written approval from ADOH to move funds from one Budget Activity Line Item to another. ADOH will only approve changes to the Budget for eligible costs as outlined in the State Housing Fund program. The following substantial revisions to the Budget require a contract amendment:

(a) Additional funding sources are added to the project which require a project to be re-underwritten to determine gap;
(b) Recipient is requesting a change to the loan terms.

WEATHERIZATION Revisions to the Budget. Recipient must obtain written approval from ADOH to move funds from one Budget Activity Line Item to another.

See Section 10 for changes that affect the Budget.

Recipient shall not retain any funds that are drawn down in excess of immediate cash needs (to be utilized within fifteen (15) days of draw down) to cover subsequent requests for reimbursement and must return them to ADOH within thirty (30) days of receipt. Recipient must also return to ADOH any interest that is earned on these funds that are drawn down and not expended for eligible costs within fifteen (15) days of draw down.

Section 10. AMENDMENTS AND MODIFICATIONS

ADOH may consent to amendment or modification of this Agreement upon written request of Recipient. All amendments or modifications to this Agreement shall be by mutual consent of the parties in writing.

Requests for amendments or modifications that result in changes to the Budget must be supported by a revised Budget that is otherwise consistent with Section 9.

ADOH will respond to the request for amendment or modification to this Agreement within fourteen (14) business days.

Section 11. ENVIRONMENTAL REVIEW CONDITIONS

In accordance with 24 CFR 50 and 24 CFR 58 ("Environmental Review"), the environmental effects of each activity carried out with federal funds must be assessed. Local government entities are responsible for environmental reviews and requesting a release of funds from ADOH. Non-profits and other non-governmental entities are responsible for assisting ADOH with Environmental Reviews before ADOH requests a release of funds from HUD. Completion of the Environmental Review Record ("ERR") is mandatory before taking any physical action on a site or entering into contracts. Only exempt activities such as architecture, engineering and administration may be undertaken and reimbursed by ADOH prior to receiving a written release of funds. Exempt activities described in 24 CFR 58.34(a)(1)-
(11) are activities that generally have no physical impact on the environment. If federal funds are involved in a project, neither federal nor non-federal funds may be expended or committed by contract (conditional or not) for property acquisition, rehabilitation, conversion, lease, repair or construction activities, until HUD or ADOH has provided written authorization based on approval of an ERR.

An option agreement (to purchase land) on a proposed site or property is allowable prior to the completion of the Environmental Review if the option agreement is contingent upon an ADOH or HUD authorization to use funds based on a completed ERR. The cost of the option must be a nominal portion of the purchase price.

Projects funded solely with Housing Trust Funds do not require an ERR but are required to meet the requirements of the State Historic Preservation Act by consulting with the State Historic Preservation Office (SHPO). For State Housing Funded projects, Phase I Environmental Assessments are required to be completed on properties for which new construction/change in use is proposed, regardless of whether federal or state funds are the source of funding. Expenditures incurred or obligated by construction contract prior to ADOH's release of funds or consultation with SHPO will not be reimbursed by ADOH.

Recipients who had committed or expended non-federal funds to begin a project before receiving the authorization from ADOH or HUD may still be eligible to use federal funds on the project under the following circumstances:

(a) Recipients started the project without the intention of using federal assistance (i.e. as evidenced by other anticipated funding, the original project budget, etc.);

(b) All work on the project ceases once an application for federal funds is made and an ERR is begun on all activities (i.e. acquisition, construction, etc.). ADOH or HUD provides authorization to proceed based on the completed ERR.

☐ WEATHERIZATION (DOE WAP, LIHEAP WAP). DOE has made a final NEPA determination for all activities under this Funding Agreement that are listed in the State Plan formally approved by DOE and incorporated into this Funding Agreement. Recipients are responsible for compliance with Section 106 pursuant to 36 CFR Part 800.2 (c)(4).

Section 12. APPLICATION AND OTHER PRE-AWARD COSTS

Recipient may use a portion of the funds provided hereunder to reimburse itself for exempt activities pursuant to 24 CFR 58.34(a)(1)-(11) such as architecture, engineering, testing and sampling of asbestos and capital needs assessments and environmental reviews.

☐ CDBG. If Recipient is receiving funding under this Agreement from the CDBG program, in accordance with federal procedures, Recipient may use funds provided hereunder to reimburse it or to pay for costs incurred in preparing the application.
no event shall such compensation exceed eighteen percent (18%) of the total funding provided to Recipient by ADOH.

Section 13. COMPENSATION AND METHOD OF PAYMENT

Subject to availability of and receipt of funds from the State’s Unclaimed Property Fund (for state HTF funds) and/or the United States Treasury (for HOME, CDBG, COC, NHTF HOPWA, DOE WAP and LIHEAP WAP funds) and the commitment of other required funding as indicated in Recipient’s application, ADOH agrees to reimburse or advance Recipient for authorized expenditures according to the Budget in Attachment C. Recipient must maintain invoices and other similar documentation to support payment expenses under those generally accepted accounting principles and procedures approved by ADOH and outlined in 2 CFR 200 as applicable; 24 CFR Parts 44, 92 and 570 as applicable; and 10 CFR 440 and 600 as applicable.

Recipient may request funds only after the date of the executed Agreement and other legal documents as applicable, provided Recipient has satisfied ADOH funding contingencies and federal Environmental Review conditions. Requests for reimbursement must be made using the ADOH Request for Payment form hereby incorporated into this Agreement and attached as Attachment D. For construction projects, Release of Lien documents must be attached to the Request for Payment in amounts proportionate to contractor reimbursement requests.

Recipient must maintain proof of said expenditures including checks, payrolls, time records, invoices, contracts, vouchers, orders and other accounting documents evidencing in proper detail the nature and propriety of the respective charges as may be required by applicable federal rules and regulations, including requirements by the Federal Office of Management and Budget, and as may be otherwise reasonably required to permit ADOH to determine or confirm that any such expenditures are prudent and within the Scope of Work.

Recipient’s right to incur expenses under this Agreement shall cease upon expiration of this Agreement. All requests for reimbursement on expenditures made prior to expiration of this Agreement must be requested within sixty (60) days after expiration. Unless expressly authorized by ADOH in writing, expenditures not requested within the sixty (60) day period after expiration of this Agreement shall be disallowed and all funds shall be reclaimed by ADOH.

Section 14. FUNDS RECOUPED BY RECIPIENT, INTEREST AND PROGRAM INCOME

14.1 Definitions. For purposes of this section, the following definitions shall apply:

“Funds Recouped by Recipient” means funds initially provided by ADOH to Recipient under this Agreement and any matching contributions that are recouped by
Recipient when: (1) the funds provided by ADOH under this Agreement or matching contributions or the proceeds of funds provided by ADOH (including, but not limited to, equipment or housing) do not continue to be used for an approved purpose or eligible activity, as described in applicable law or regulations, for the full period of affordability required by this Agreement; or (2) when a State-assisted homeownership housing does not continue to be the principal residence of the assisted homebuyer for the full affordability period required by this Agreement. Funds Recouped by Recipient are subject to all the requirements of Program Income described below with the exception that Recipient shall not use Funds Recouped by Recipient for administrative purposes. For this reason, Recipient must separately account for all Funds Recouped by Recipient.

"Interest" means any compensation paid or to be paid for the use or deposit of the funds provided by ADOH to Recipient under this Agreement.

"Program Income" means gross income received by Recipient directly generated from the use of funds provided by ADOH under this Agreement. When Program Income is generated by housing that is only partially assisted with funds provided by ADOH under this Agreement or matching contributions, the income shall be prorated to reflect the percentage of funds provided by ADOH under this Agreement. Program income includes, but is not limited to, the following: (1) proceeds from the disposition by sale or long-term lease of real property purchased or improved with funds provided by ADOH under this Agreement; (2) gross income from the use or rental of real or personal property acquired by Recipient with funds provided by ADOH under this Agreement, less costs incidental to generation of the income; (3) payments of principal and interest on loans made using funds provided by ADOH under this Agreement or matching contributions; (4) proceeds from the sale of loans made with funds provided by ADOH under this Agreement or matching contributions; (5) proceeds from sale of obligations secured by loans made with funds provided by ADOH under this Agreement or matching contributions; (6) interest earned on Program Income pending its disposition; (7) proceeds from the disposition of equipment purchased with CDBG funds; (8) gross income from the use or rental of real property, owned by Recipient, that was constructed or improved with funds provided by ADOH under this Agreement, less costs incidental to generation of the income; (9) if the funds provided by ADOH under this Agreement are from the CDBG Program, funds collected through special assessments made against properties owned and occupied by households not of low and moderate income, where the assessments are used to recover all or part of the CDBG portion of a public improvement; and (10) if the funds provided by ADOH under this Agreement are from the HOME Program, any other interest or return on the investment permitted under 24 C.F.R. Part 92.205(b) of HOME funds or matching contributions.

14.2 Use of Program Income and Funds Recouped by Recipient.

Recipient is not authorized by ADOH to retain and reuse Program Income, Funds Recouped by Recipient or accrued Interest as described in the following paragraph(s) except as authorized by ADOH through a written agreement.
Recipient must return all Program Income, Funds Recouped by Recipient and Interest to ADOH within thirty (30) days of receipt.

Recipient must remit to ADOH any Program Income, Funds Recouped by Recipient or Interest on hand at the time of expiration, cancellation, or termination of this Agreement or subsequently received by Recipient within thirty (30) days of receipt by Recipient.

Section 15. DE-OBLIGATION, RECAPTURE AND REPAYMENT OF FUNDS

15.1 De-obligation. ADOH may reduce funds from the funding award evidenced by this Agreement without regard to the source of funding, under the following circumstances: (1) Recipient has completed performance under the Scope of Work (Attachment A) without using all of the funds provided by ADOH under this Agreement; (2) this Agreement expires and not all funds have been expended; (3) ADOH's original allocation was a loan and Recipient or Sub-recipient paid the loan; (4) Recipient, with the consent of ADOH, cancelled or changed an activity required under the Scope of Work for reasons other than non-performance; or (5) Recipient receives Program Income that has not been included in the budget or set forth in the Scope of Work; and (6) this Agreement has otherwise been terminated. ADOH may de-obligate funds under this Agreement under the foregoing circumstances upon written notice to Recipient.

15.2 Reallocation of De-obligated HOME or State HTF Funds. If the funds provided by ADOH under this Agreement are from the State HTF or the HOME Program, ADOH may reallocate funds that it has de-obligated under this Agreement as it determines in its sole discretion.

15.3 Reallocation of De-obligated CDBG Funds. If the funds provided by ADOH under this Agreement are from the CDBG Program, ADOH may reallocate funds that it has de-obligated under this Agreement to Recipient from which the funds were de-obligated for use under an existing or new funding contract of the same funding year if Recipient can immediately commit the reallocated funds to a project and execute a new or amended funding contract within sixty (60) calendar days of the reallocation. If ADOH is not able to reallocate funds that it has de-obligated under this Agreement in accordance with the foregoing sentence of this subsection, ADOH may reallocate those funds as it determines in its sole discretion.

15.4 Recapture. ADOH may reduce funds from the amount of the funding award evidenced by this Agreement, without regard to the source of funding, under the following circumstances: (1) ADOH determines that Recipient has failed to use the funds provided by ADOH under this Agreement in compliance with the terms of this Agreement or the requirements of applicable laws and regulations (non-compliance); or (2) Recipient fails to perform in accordance with the performance obligations set forth in the Scope of Work (Attachment A) and the Schedule of Completion (Attachment B) or the terms of this Agreement.
ADOH may recapture funds under this Agreement under the foregoing circumstances upon written notice to Recipient.

15.5 **Reallocation of Recaptured Funds.** ADOH may reallocate funds that it has recaptured under this Agreement, without regard to the source of funding, as it determines in its sole discretion.

15.6 **Repayment of Funds.** Recipient agrees to repay funds provided under this contract if ADOH determines that Recipient has failed to use the funds provided by ADOH under this Agreement in compliance with the terms of this Agreement or the requirements of applicable laws and regulations. ADOH may specify in writing the terms of the repayment or alternative terms in lieu of repayment; however, in no case shall repayment or alternative terms be accomplished later than 180 days following the written determination of non-compliance by ADOH.

ADOH shall follow up on discrepancies to ensure that they have been corrected in a timely manner. The failure of ADOH to require timely performance of any provision of this Agreement shall in no way affect the right of ADOH thereafter to enforce such provision nor shall the waiver of any succeeding breach of such provision act as waiver of the provision itself.

ADOH shall provide reasonable technical assistance to assist Recipient to comply with program requirements for the provision of services under this Agreement. However, this in no way relieves Recipient of full responsibility for its acts or omissions in the performance of activities required by this Agreement.

Section 18. SUBCONTRACTING

Recipient shall not disburse any funds received under this Agreement without fully completed written agreements with subcontractors requiring they follow all provisions of this Agreement and a completed Environmental Review pursuant to Section 11 of this Agreement.

Recipient is responsible for determining the adequacy of performance under subcontractor agreements and procurement contracts and for taking appropriate action when performance issues arise.

Section 19. FAILURE TO MAKE PROGRESS

Failure of Recipient to make progress according to the Schedule of Completion, attached hereto as Attachment B, may result in contract termination, de-obligation of funds or recapture of funds. Recipient agrees to meet with ADOH at the site in which the funded activity is taking place to discuss progress and allow ADOH to provide technical assistance if:
(a) Recipient fails to begin work on its Environmental Review pursuant to Section 11 within the sixty (60) calendar days from the date ADOH executes this Agreement;

If ADOH so determines, it shall notify Recipient in writing by certified mail, return receipt requested, of such termination for cause with such notification to include the reason(s) for the termination and the effective date of termination. If ADOH terminates this Agreement pursuant to this Section, ADOH shall recapture all funds allocated to Recipient under this Agreement pursuant to Section 15.4 hereof and obtain repayment of funds expended pursuant to Section 15.6, hereof.

If ADOH so determines, it shall notify Recipient in writing by certified mail, return receipt requested, of such termination for convenience and the effective date of termination. If Recipient so determines, it shall notify ADOH in writing by certified mail, return receipt requested, of such termination for convenience and the effective date of termination. 22.4 Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude Recipient from being subject to “Debarment and Suspension” under the United States President’s Executive Order 12549.

Section 23. CANCELLATION

Pursuant to A.R.S. § 38-511, ADOH may, within three (3) years after its execution, cancel this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of ADOH, at any time while this Agreement or any extension of this Agreement is in effect, is or becomes an employee or agent of any other party to this Agreement in any capacity or a consultant to any party of this Agreement with respect to the subject matter of the contract. ☐ **WEATHERIZATION projects only:** All records must be retained for at least three (3) years after the grant agreement close out between DOE or SWG and ADOH has been approved. ADOH will notify recipients of the records retention date of expiration for Weatherization projects.

Upon request by ADOH, Recipient shall produce a legible copy of all such records at the Administrative Office of ADOH or at the Office of the Auditor General. The original records shall be available and produced for inspection and audit when required by ADOH or the Auditor General.

Recipient shall maintain records that adequately identify the source and application of the funds provided under this Agreement (including Program Income and Recaptured Funds) as part of the financial transactions of their funding program, consistent with generally accepted accounting principles and the requirements of 2 CFR 200. Recipient will provide reports regarding the capture and reuse of Program Income and Recaptured Funds as requested by ADOH from time to time.

In addition, in the event that the project resulted in Recipient holding any liens or notes as a result of this funding, Recipient must retain all pertinent records for five (5) years beyond the expiration or release of such liens or notes.

**Section 25. NO OBLIGATION OF STATE GENERAL APPROPRIATIONS FUNDS**

Nothing herein shall be construed as obligating state general appropriation funds, excepting HTF funds, for payment of any debt or liability of any nature arising hereunder. The parties expressly recognize that all payments to be made by ADOH are from federal funds and HTF funds made available to ADOH for this purpose.

**Section 26. AVAILABILITY OF FUNDS**

Payments under this Agreement are subject to the availability of the federal funds provided to the ADOH for the HOME and CDBG programs and the availability of state funds provided for the state HTF Program. Every payment obligation of ADOH under this Agreement is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this Agreement, this Agreement may be terminated by ADOH at the end of the period for
which funds are available. No liability shall accrue to ADOH in the event this provision is exercised, and ADOH shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification (A)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction,” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.
