AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the mutual promises and covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Peoria and Glendale hereby agree as follows:

1. Definitions.

The capitalized terms contained in this Agreement and not otherwise defined shall have the meanings set forth below:

"Acceptable Waste" means household solid waste collected by the Parties in their respective service areas for disposal in the Facility that is normally generated by business, industrial, and commercial establishments, which consists of (i) household wastes; (ii) commercial waste (originating from entities such as restaurants, stores, markets, theaters, hotels, and warehouses); (iii) institutional waste material originating in schools, hospitals, research institutions, and public buildings; (iv) small amounts of remodeling, demolition, roofing materials and other construction debris; (v) water treatment plant or wastewater sludge, capable of passing the mandated paint filter test, and delivered with an acceptable lab report (sample analysis according to appropriate waste testing protocol established by the Facility, as defined below); and (vi) friable and non-friable asbestos containing waste material. Acceptable Waste does not include any Hazardous Waste, Special Waste, Medical Waste, including "red bags," or Unacceptable Waste, as defined herein, or any other waste not normally accepted at the Facility, as such term is defined below.

“Applicable Laws, Rules, and Regulations” means the laws, statutes, regulations and rules enacted by the federal government or any agency thereof, the state or any political subdivision thereof, affecting the permitting, operation or use of the Facility (as defined below), as such laws, statutes, regulations and rules are now in effect or as adopted subsequently.

“Contract Year” means one fiscal year period of July 1 through June 30.

“Dollars” means United States dollars.

“Facility” means the Glendale Municipal Landfill located at 11480 West Glendale Avenue, Glendale, Arizona.

“Fiscal Year” means the City of Glendale’s calendar for a fiscal year, currently July 1 through June 30.

“Force Majeure” means any act, event, or condition having a direct, material, adverse effect on the ability of the Facility to accept or dispose of Acceptable Waste, if such act, event, or condition is beyond the reasonable control of the Party relying thereon as justification for not performing an obligation or complying with any condition required of such Party under this Agreement. Such acts, events, or conditions shall include, but shall not be limited to, the following:

- A. An act of God, lightning, earthquake, fire, severe weather conditions, epidemic, landslide, drought, hurricane, tornado, storm, explosion, partial or entire failure of utilities, flood, nuclear radiation, act of a public enemy, war, blockade, insurrection, riot, disturbance, labor strike or interruption, extortion, sabotage or similar occurrence or any exercise of the power of eminent domain, condemnation or other taking by the action of any governmental body on behalf of any public, quasi-public or private entity.

- C. The denial of an application, failure to issue, or suspension, termination, or interruption in the issuance or renewal of any permit if such denial, suspension, termination, interruption, or failure is not also the result of a wrongful or negligent

act or omission or a lack of reasonable diligence of the Party relying thereon; provided that, the contesting in good faith or the failure in good faith to contest any such denial, suspension, termination, interruption, imposition or failure shall not constitute or be construed as such a wrongful or negligent act or omission or lack of reasonable diligence.

- D. The failure of any subcontractor or supplier to furnish services, materials or equipment on the dates agreed to if such failure is caused by a Force Majeure, if and to the extent, and only so long as Glendale is not reasonably able, after using its best efforts, to obtain substitute services, materials or equipment.

“Hard to Handle Waste” means waste requiring special handling such as the burial in an area away from the main working face of the Landfill, the breaking up of large materials as mobile homes or pieces of concrete, spools of wire and Hot Loads (as defined below).

“Hazardous Waste” means (A) any material or substance which, by reason of its composition or characteristics, is (1) toxic or hazardous waste as defined in either the Solid Waste Disposal Act, 42 U.S.C. Section 6901 *et seq.*, as replaced or amended, or any laws of similar purpose or effect, and such policies or regulations thereunder, or under relevant state law as replaced or amended, or any laws of similar purpose or effect, and any rules, regulation, or policies thereunder, or (2) special nuclear or by-products material within the meaning of the Atomic Energy Act of 1954; (B) other material which any governmental agency or unit having appropriate jurisdiction shall determine from time to time is harmful, toxic, or dangerous, or otherwise ineligible for transfer through, transportation by, or disposal from or to the Facilities; and (C) any material which would result in process residue being hazardous waste under (A) and (B) above.

“Hot Load” means any load of materials delivered to the Facility that is emitting smoke, fire or fumes, or may be in imminent danger of fire or explosion.

“Medical Waste” means any material or substance that, by reason of its composition or characteristics, is medical waste as defined by the Arizona Department of Environmental Quality.

“Special Investment Credit” shall have the meaning assigned to it in section 3.1(D) below.

“Special Waste” means any waste that is defined as a Special Waste under or pursuant to Arizona Revised Statutes § 49-851 *et seq.*, federal, or local laws or regulations, as replaced or amended.

“Tipping Fee” shall mean the total rate charged and adjusted by Glendale for disposal by Peoria at the Facility, as more fully set forth in Section 3.3 of this Agreement. The Tipping Fee shall include any applicable taxes, fees, or levies, as replaced or amended, that the Facility is required to pay for waste delivered to and accepted by the Facility.

“Ton” means two thousand (2,000) U.S. pounds.

“Unacceptable Waste” means that portion of solid waste that may not be disposed of at the Facility, such as, but not limited to: (A) explosives, radioactive materials, medical waste or infectious waste, tires (excluding tires delivered by Peoria residents as per Section 2.2 b), residential cesspool waste, sewage, and sludge; (B) motor vehicles, including major motor vehicle parts, and agricultural and farm machinery and equipment; (C) used oil; (D) materials that, in the reasonable judgment of Peoria and Glendale may present a risk to health or to safety, or has a reasonable possibility of adversely affecting the operation of the Facility such as Hot Loads; or (E) waste not authorized for disposal at any Facility by those entities having jurisdiction over any waste, the disposal of which would constitute a violation of any governmental requirement pertaining to the environment, health or safety. Unacceptable Waste also includes any waste that is now or hereafter defined by federal/state law or by the disposal jurisdiction as radioactive waste, Medical Waste including “red bags,” Special Waste, or Hazardous Waste.

2. Delivery of Acceptable Waste.

2.1 Acceptable Waste Delivered.

- A. Peoria shall use its reasonable best efforts to ensure that all materials delivered to the Facility shall constitute only Acceptable Waste. Glendale shall have the right to refuse to accept Unacceptable Waste at the Facility. Peoria will be charged the fees established in Section 3.3 below.
- B. Peoria residents will be charged the established rate in section 3.3. below for Acceptable Waste delivered in self-hauled loads to the Facility for disposal. All appliances containing Freon will be assessed a separate fee to cover the cost the Facility incurs for Freon removal. The fee is subject to change at any time to reflect the market cost of Freon removal.
- C. Waste tires delivered by Peoria residents will be accepted and assessed a waste tire handling fee of \$3.00 per tire in addition to the Tipping Fee. The tires must be from passenger vehicles or small non-commercial trucks, and shall not contain rims. Off-road vehicle tires will not be accepted. Peoria residents will be limited to the delivery of five waste tires every 90 calendar days. This waste tire handling fee is subject to change with 30 days notice to reflect the Facility cost of handling.
- D. Peoria and Glendale recognize that even though certain solid waste would constitute Acceptable Waste, it can be of such a quantity or character as to require special handling for disposal (Hard to Handle Waste). In the event Glendale identifies Acceptable Waste as Hard to Handle Waste, it shall notify Peoria of any additional charges related to disposal of same prior to disposal.
- E. Peoria and Glendale recognize that although waste tires with or without rims constitute Unacceptable Waste, they may on occasion be mixed with Acceptable Waste without Peoria’s knowledge or intent. In such event,

waste tires will be handled by the Facility. However, should the receipt of such unacceptable waste tires become an unreasonable burden on the Facility, both parties agree to make a reasonable effort to resolve the problem. Waste tires delivered by Peoria residents, as discussed above, are not included as Unacceptable Waste.

2.2 Weighing of Acceptable Waste.

- A. Each vehicle delivering Acceptable Waste shall have a vehicle identification number permanently indicated and conspicuously displayed on the exterior of the vehicle, which is readily visible by the weigh scale operators. Peoria shall provide a certified tare weight for each such identified vehicle. All incoming Acceptable Waste shall be weighed and recorded. From time to time, the Parties may require revalidation of the tare weight of any vehicle or re-weighing of unloaded trucks. Peoria, at no extra cost, shall have the right to monitor the weighing of all vehicles delivering Acceptable Waste to the Facility.
- B. Glendale shall maintain the weighing devices at the Facility for the purpose of providing its services hereunder. Glendale shall test and recalibrate the scales at least once each quarter, or more often if necessary or if required by the Arizona Department of Weights and Measures. Calibration records shall be available for inspection by Peoria.
- C. In the event the scales become temporarily inoperable due to testing or malfunction, Glendale shall estimate the weight of Acceptable Waste delivered to the Facility on the basis of truck volume and historical data obtained through operation of the Facility. These estimates shall serve as official records for the duration of the scale outage. Glendale shall use its best efforts to ensure that no such period of inoperability exists for more than five consecutive days, and in the aggregate not more than 15 days in any 6 month period.
- D. To expedite turnaround time at Facility, Peoria will use the automated, unattended scale system (commonly referred to as the Radio Frequency or RF Scale). Glendale will provide Peoria with a summary of all transactions on a monthly basis as specified in Section 3.1. Information on specific transactions or a daily report will be generated upon request.

2.3 Vehicle Turnaround Time. Each and every vehicle delivering Acceptable Waste to the Facility shall be able to enter the Facility, unload and exit the Facility within a period of not longer than 20 minutes, with the understanding that bad weather conditions, such as heavy rain, may cause delays beyond the control of the Facility. The average period of not longer than 20 minutes is based on the use of the unattended scale system and an average period of not longer than 8 minutes to unload the Peoria vehicles. Glendale shall provide experienced staff at the Facility to direct incoming drivers.

- 2.4. Delivery Vehicles.** Acceptable Waste may be delivered to the Facility in a variety of vehicles including, but not limited to, side-loading collection trucks, rear-loading collection trucks, front-loading collection trucks, tractor-trailer vehicles, open top and closed roll-off containers, compactors, and other open or closed vehicles. The Facility shall be equipped to receive all vehicles that are lawfully used to transport Acceptable Waste.
- 2.5 Hot Loads.** In the event that a Peoria vehicle dumps a Hot Load, Peoria agrees to pay the reasonable costs incurred by Glendale for the handling of that Hot Load, including costs related to response by public safety personnel as well as cleanup and disposal costs related to the material.
- 2.6 Procedure for Handling Unacceptable Waste.** Unacceptable Waste detected before it is tipped at the Facility disposal area shall not be unloaded from the delivery vehicle. If Unacceptable Waste is detected after it has been unloaded, Glendale shall promptly set aside or isolate the material. Glendale will notify Peoria and provide Peoria with an opportunity to either remove the Unacceptable Waste within eight (8) working hours (provided the waste material does not pose an immediate danger) or instruct Glendale to contract for the removal of the material and invoice Peoria for the removal cost.

3. Statements, Records, and Auditing.

3.1 Monthly Reports, Weight Tickets, and Monthly Reconciliation.

- A. Glendale shall deliver to Peoria within ten working days after the end of the month, an electronic monthly report that shall specify the number of tons of waste received during the previous month. The report will provide a summary of the previous month's weight tickets for all waste received each day at the Facility, including transaction number, truck number, date, time, material type, net tons and total fee. Because the unattended scale system will be used by Peoria vehicles, weight tickets will be provided to drivers only upon request.
- B. Any weight that has been determined by estimate as described in Section 2.2(C) above shall be noted on all records of such weight.
- C. Peoria shall review each monthly report and/or billing statement and pay the fee required for tonnage delivered to the Facility during that month based on the established rate in Section 3.3 below. Payment shall be received or remitted in accordance with Glendale remittance terms, which currently requires payment prior to the last business day of the month. These remittance terms may change to align with any change in business practices. Glendale must notify Peoria in writing regarding any changes to the remittance terms, and any changes will not take effect until at least 90 days after the notice is provided in a manner consistent with Section 12.11 of this Agreement.

- D. Special Investment Credit. Peoria agrees to make a \$2,200,000 Special Investment in the Facility prior to January 2, 2020 to help fund the construction of the Facility's North Cell and the Facility's overall future capacity and operation. Peoria's Special Investment shall be considered a pre-payment of or credit against future Tipping Fees and other fees incurred by Peoria for the disposal of loads of any Waste it delivers to the Facility, as provided in this Agreement. Peoria will draw down against this credit until the balance of the credit is exhausted. Glendale will calculate the amount owed by Peoria on a monthly basis in accordance with Section 3.1(C) and use any balance remaining from the credit to satisfy any amount that would otherwise be due. Peoria shall notify Glendale, not later than 60 days prior to the commencement of the fiscal year, the amount of the Special Investment Credit to apply to each ton disposed at the Facility in that fiscal year until the Special Investment Credit is exhausted. Glendale will track and report the cumulative drawdown against the Special Investment Credit monthly and will also provide an annual summary accounting to Peoria. Once the Special Investment Credit is exhausted, Peoria will be billed and will pay the fees due and owing to Glendale on a monthly basis. In the event this Agreement is terminated for any reason before the Credit is exhausted, any remaining balance shall be refunded to Peoria within 60 days of such termination.

3.2 Recordkeeping, Accounting and Auditing.

- A. Glendale shall keep and maintain complete and detailed records related to the delivery of Acceptable Waste and Unacceptable Waste and records providing the basis for the invoicing requirements under this Section including (1) tonnage of Acceptable Waste delivered by Peoria to the Facility and (2) quantities of Unacceptable Waste and the disposition of such material including the character of the waste, the date, time, and vehicle identification of each vehicle. Glendale shall further keep and maintain accurate and complete accounting records and vouchers evidencing all costs, receipts, payments and any other matter of accounting associated with their performance under this Agreement in accordance with generally accepted accounting principles.
- B. Peoria, or its audit representative, shall have the right at any reasonable time to inspect, copy and audit the records, accounting records, vouchers, and any source documents which serve as the basis for charges for Acceptable Waste tonnage (the "Accounting Records"). The Accounting Records shall be available for inspection and audit for a period of three years following the termination of this Agreement, or seven years from the date such Accounting Records were first created, whichever comes first.

3.3 Tipping Fees.

- A. The Tipping Fee for disposal services at the Glendale Landfill shall be as

follows:

Tipping Fee	Applicable Term
\$27.00	July 1, 2019 through June 30, 2020
\$27.00	July 1, 2020 through June 30, 2021
\$29.00	July 1, 2021 through June 30, 2022
\$29.00	July 1, 2022 through June 30, 2023
\$30.00	July 1, 2023 through June 30, 2024

This Tipping Fee includes the current \$0.25 per ton Arizona Department of Environmental Quality tax.

All loads delivered after 4:30 p.m. (AZ time) will be assessed an additional \$7.00 per ton.

The rates are based on a minimum annual of 25,000 tons annually brought by the City of Peoria. If the minimum annual tonnage is not met, the following year rate will be increased by \$2 per ton.

- B. Tonnage will be tracked as trucks pass through the scale and charged the appropriate Tipping Fee.
- C. As provided in Section 4.1 of this Agreement, the Tipping Fee shall be reviewed prior to extension of the term of this Agreement as set forth in Section 4.1 below. The fee review will be conducted no later than January 1, 2024 with Tipping Fee adjustments completed and effective July 1, 2024.
- D. The Tipping Fee may be adjusted at any time to reflect any adjustments of, changes to, or additions to Federal, State, or County taxes, fees, or levies for waste accepted at the Facility.
- E. Water treatment plant or wastewater sludge, capable of passing the mandated paint filter test, and delivered with an acceptable lab report (sample analysis according to appropriate waste testing protocol established by the Facility), shall be deposited at the Tipping Fee established for Peoria per this Agreement. The sample analysis shall be conducted every six months.
- F. All appliances containing Freon and delivered by Peoria collection vehicles will be assessed a separate fee, in addition to the Tipping Fee, to cover the cost the Facility incurs for Freon removal. This fee is subject to change at any time to reflect the market cost of Freon removal.

- G. A Hard to Handle Waste fee of \$131.25 per ton will be charged for Hard to Handle Waste as defined in Section 1. This fee includes the current \$0.25 per ton Arizona Department of Environmental Quality tax.

4. Term and Termination.

4.1 Term of Agreement. The term of this Agreement shall begin on the effective date of July 1, 2019, and shall continue thereafter until June 30, 2024. This Agreement may be extended on terms and conditions acceptable to both Glendale and Peoria for two additional periods of three years each, unless terminated pursuant to Section 4.2 below.

4.2 Termination.

- A. Notwithstanding the provisions of Section 4.1 above, Peoria may terminate this Agreement without cause at the end of any Contract Year upon prior written notice to Glendale. Such written notice must be received no later than April 1 of the then-current Contract Year and termination will be effective midnight on June 30 of the then-current Contract Year.
- B. Glendale may terminate this Agreement, at any time, with 180 calendar days written notice to Peoria. There shall be no payment associated with the termination of this Agreement by Glendale.
- C. This Agreement is subject to the provisions of Arizona Revised Statutes § 38-511, as replaced or amended, and may be canceled, without penalty or further obligation, by either Party if any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of either Party is, at any time while this Agreement or any extension of this Agreement is in effect, an employee or agent of any other Party to this Agreement in any capacity or consultant to any other party of this Agreement with respect to the subject matter of this Agreement.

5. General Obligations.

5.1 Operation and Maintenance of the Facility. Glendale shall operate and maintain the Facility in a manner that is consistent with its obligations under this Agreement and is consistent with all Applicable Laws, Rules, and Regulations, as replaced or amended.

5.2 Laws and Regulations. Glendale shall, in the operation of the Facility and the performance of its obligations under this Agreement, comply with any and all Applicable Laws, Rules, and Regulations, as replaced or amended, during the term of this Agreement, which are applicable to the Parties, their respective employees, agents, or subcontractors, if any.

Alternative holiday schedules may be established by mutual agreement of the Parties.

7. Unacceptable Waste.

7.1 Discovery of Unacceptable Waste. If Glendale discovers Unacceptable Waste or waste that it suspects is Unacceptable Waste received from Peoria, Glendale shall:

- A. Isolate, remove and set aside that portion of the load which it determines is or may be Unacceptable Waste.
- B. Notify Peoria of the discovery of Unacceptable Waste within one hour of that discovery, unless that discovery occurs after 4:00 p.m., in which event notification shall be given by 9:00 a.m. of the next business day.
- C. Gather, preserve, maintain and make available to Peoria all evidence demonstrating that the Unacceptable Waste was delivered by Peoria.
- D. Test or arrange to have tested the suspected Unacceptable Waste to ascertain whether that waste is Unacceptable Waste.
- E. Allow Peoria to (1) inspect such Unacceptable Waste within eight hours of notice to Peoria of the existence of such waste and (2) test the waste and examine all other evidence gathered by Glendale within seventy-two hours after the discovery of such waste. For purposes of any inspection conducted, Peoria shall have access to the Facility and/or any other site at which Unacceptable Waste is located, subject to the conditions set forth in Section 6.2 above.

7.2 Rejection of Unacceptable Waste. Glendale shall have the right to reject Unacceptable Waste after the load is unloaded at the Facility by giving notice to Peoria as set forth in Subsection 7.1(B) above. Unacceptable Waste shall be deemed accepted if not rejected.

7.3 Disposal of Unacceptable Waste. If Unacceptable Waste is discovered at the Facility and there is substantial proof that the Unacceptable Waste was delivered to the Facility by Peoria under this Agreement, Peoria shall (A) to the extent

practicable, promptly remove and dispose of the Unacceptable Waste or (B) pay Glendale the actual reasonable cost for disposal of the Unacceptable Waste. Peoria shall also pay or reimburse Glendale for the actual reasonable cost of the inspection, testing, identifying and handling of the Unacceptable Waste.

7.4 Disposal of waste not deemed Unacceptable. If, after inspecting and/or testing the waste, Glendale discovers no Unacceptable Waste, or discovers that the Unacceptable Waste was not delivered to the Facility by Peoria, Glendale shall dispose of that waste at no additional cost to Peoria.
