RE: Engineer's Certification of Costs for Maintenance Bond
Ronald Reagan Blvd. Church Addition Public Improvement Construction Plans
17744 Ronald Reagan Boulevard
Leander, Texas

Mr. O'Neal:

The general contractor for the above referenced project (Parkway Construction), provided me the costs for the public improvements for this project. The costs are listed below:

Streets (Deceleration Lane, Drive approach, sidewalk, and retaining wall):	\$62,000
Storm Drainage (approx. 100 lf 48" RCP and sloped end section):	\$28,000
Wastewater (190 lf 8" sewer, 175 lf 12" sewer, 136 lf bore and two manholes):	\$65,500
Water (2 – 24"x8" Tapping sleeves and valves, 2 – 2" water services):	\$26,000
TOTAL	\$181,500

Sincerely,

Jim Dewey, Jr., P.E.
