Menomonee Falls Village Board
Karol Kennedy, Library Director

Re: Library Board Position

Dear Board Members and Ms. Kennedy

Thank you for considering my application for the Menomonee Falls Library Board. As a lifelong resident of Menomonee Falls, I would be honored to serve my community as a board member. With my first job being a library page at the Maude Shunk Library, I am familiar with the important role the library has within the community. My husband, daughter, and I utilize the books, other media, and activities that the library offers on a regular basis. For additional background information, I have included a copy of my resume. Please contact me with any questions.

Very truly yours,

Jenna Merten
