Dear Judge Neal:

Pursuant to the contract between Al Amin Shriners and Nueces County, the following information is provided:

Spread sheet displaying expenses incurred by Shriners Hospital Patient Transportation Fund, maintained by Al Amin Shriners for the year 2012.

Al Amin Shriners and Shriners Hospitals for Children are grateful that Nueces County was able to help defray expenses for the transportation of children to and from our hospitals. We rely on individual donations, memorials and fund raisers to support our philanthropy. Thanks to donors such as the gift from Nueces County and others that we have been able to meet the needs of the patients within the jurisdiction of Al Amin Shriners. It would be helpful if this assistance can continue. The expenses for the past year include:

- Meals and Lodging for patient and guardian
- Fuel and maintenance of 8 hospital vans
- Insurance and vehicle registration
- Telephone and telemedicine expenses

2/13
Comp for Court

We are appreciative of the county's participation in assisting those kids that would, otherwise, have no other place to go. If I can provide any further information please feel free to call on me.

Sincerely,

Jim Bixler, Recorder
