Hello Mr. Little,

Per my conversation with Ms. Vicki Keach, I am sending you this request via email:

Mr. Donnie Montemayor has asked me to contact you to place an item on the May 29 Court Agenda. He would like to present our selected candidate for approval to hire in the Nueces County Extension Agent-Horticulture position. After she is accepted she will go to the Nueces County office where Helen Orsak will help her complete paperwork and she will complete paperwork here at the District Office for Extension. If you need any further information, please let me know and we would appreciate a confirmation that they are on the agenda. Thank you.
