

Nueces County Court House

Let Us Provide Your
Quality Snack Refreshments.

Full Line Vending & Office Coffee Service

Objective

To develop and implement a top quality vending program, specifically tailored to your needs, that will exceed your expectations.

Company History

Custom Food Group was founded in 1975 under the name of Automated & Custom Food Services. The owner was Coca-Cola Southwest, a privately held company headquartered in Dallas, Texas and controlled by Edmund M. Hoffman and Robert K. Hoffman.

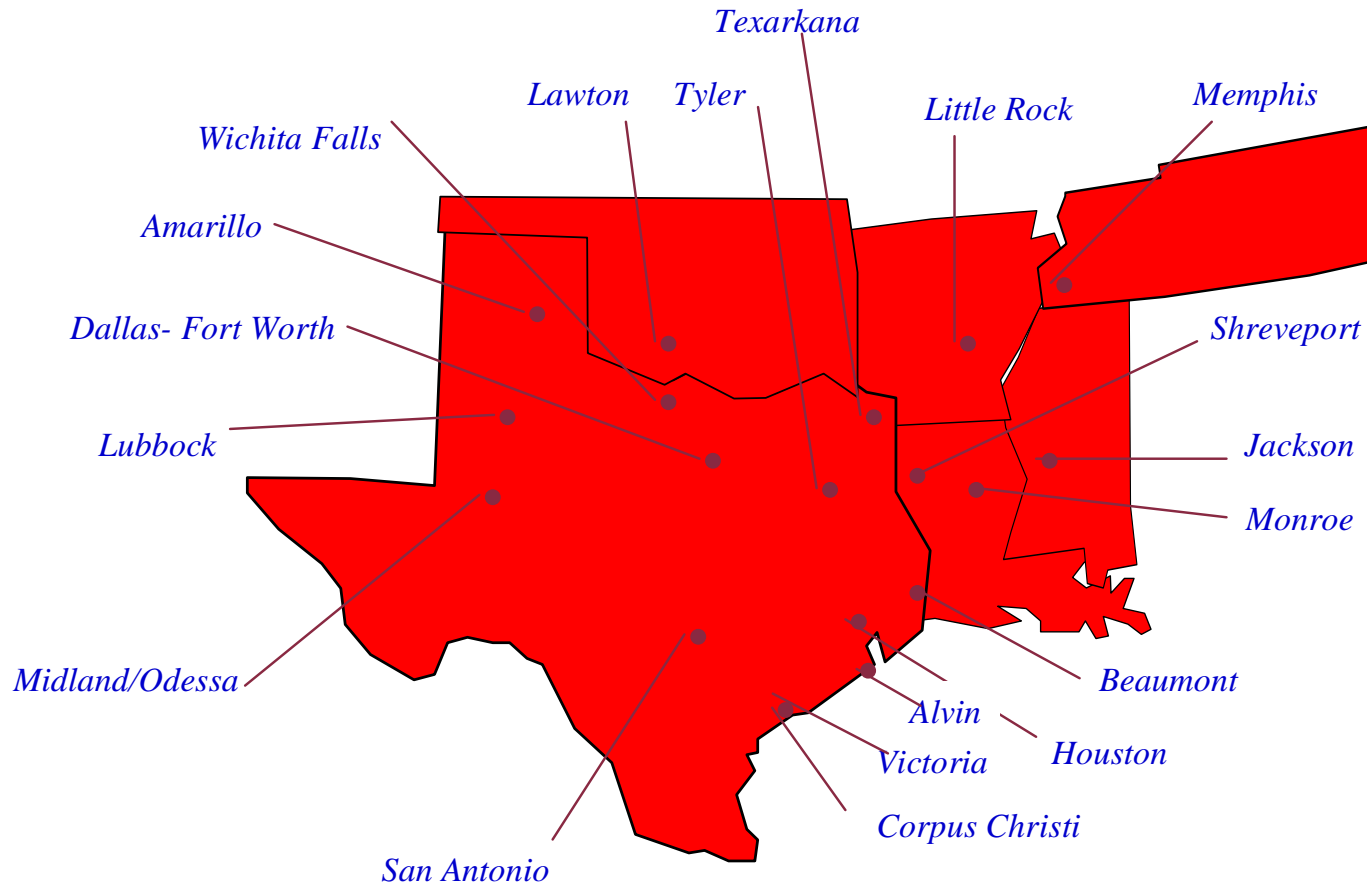

On June 4, 1998, ACFS gained its independence from its 23 year relationship with Coca-Cola Southwest. A partnership owned by the family of the Edmund M. Hoffman bought the ACFS business assets, the new company was called Automated & Custom Food Services, L.P. Since then we have grown to 23 locations throughout Texas, Oklahoma, Tennessee, Arkansas, Louisiana and Mississippi. This new group of companies is now called Custom Food Group, L.P.

Equipment Proposed

Nationally Branded, state of the art Coca-Cola vendors & CFG snack showcases capable of accepting the latest technologies in vending, and coin/currency which also include Wireless monitoring system allowing the capability of a card reader installation operations will be placed at each location where vending coverage is required.

What Makes CFG different?

CANTALOUPE SYSTEMS SEEDTECHNOLOGY

1. COLLECTION

DEX data is downloaded from each machine by the device. Information is passed locally from device to device.

2. AGGREGATION

The data is aggregated by a hub, which is then responsible for sending the information wirelessly to Cantaloupe Systems.

3. STORAGE

Once the data reaches Cantaloupe Systems, it is then sorted and stored in a secure database.

4. APPLICATION

The vending machine information is then accessible through the end application. Track cash and inventory, create sales reports, and more - all in real time.

What Makes CFG different?

- ***24 hours/7 days per week service***

- Local route service is provided, as needed 24 hours/7 days per week
- Local maintenance service is available 24 hours/7 days per week
- Service Technicians carry cell phones to expedite a quick response
- Manufacturers service representative are available upon request

- ***Quality Branded Products***

- Candy products featuring leading national brands M&M Mars, Hershey and Nestle
- Chip products include market leaders Frito Lay, Snyder's and Andy Capp
- Fresh pastry products include Mrs. Freshley's complete line of products

What Makes CFG different?

● *Customer Satisfaction Survey*

- **CFG has established a customer satisfaction survey card that will be given to our Contact person during routine visitations by our managers. This input is mailed to the Division Manager for evaluation of branch and route service personnel.**

● *Refunds*

- **Refund system is customized to provide the best setup for our customer**
- **A ten dollar (\$10.00) reimbursement bank will be established and replenished on each service day.**

● *Category Management*

- **Candy, snack, and chip menus following 6 week cycles to continually create interest and provide variety.**
- **New products on the market are introduced every menu cycle.**
- **Each snack machine can feature a section designated for healthy items.**
