Re: Fiscal Year 2011-2012 Report ✓ \$1,500 to Corpus Christi Police Officers' Association

Dear Judge Neal & Commissioner Gonzalez:

I would like to begin by thanking you for the support you have given the Corpus Christi Police Officers' Association not only with Nueces County's current grant funding, but in the County's past efforts and support.

The objective of this funding is diversified, where the Association focused specifically on our youth in programs such as our Boxing Gym where we assisted at-risk youth learn new skills, teach them self-respect and discipline, as well as providing them meals and nutritional information in order for them to stay focused on their goals. We also assisted Big Brothers Big Sisters by sponsoring their event in our hall and providing them beverages and food. The CCPOA has also delivered, on numerous occasions, meals to the Good Samaritan Rescue Mission, the largest shelter for the homeless in this region of our state. CCPOA also sponsors an Explorer Post providing them, during their fundraising events, cold beverages and nutritionally-sound snacks. There have been several schools, Tom Browne Middle School, Miller High School Sports Booster Club, and Cesar Chavez Academy that the CCPOA has offered the hall at a discount price and also provided soft drinks, bottled water, and nutritious snacks to the participants.

The funds provided to us by Nueces County were spent to purchase soft drinks, bottled water, and nutritious snacks/food for the youth of our community during the various events mentioned above and the expenditures will be ongoing.

On behalf of the "Friends in Blue" and Executive Board, a big "Thank You" is sent to the County in assisting the CCPOA in their efforts providing the citizens of Corpus Christi and Nueces County the best possible service.

Sincerely,

R. Scott Doston
President
