

# KOFILE PRESERVATION

June 11, 2013

Honorable Diana T. Barrera, Nueces County Clerk  
Nueces County Clerk's Office  
901 Leopard Street Room 201  
Corpus Christi, Texas 78401

Dear Hon. Diana T. Barrera,

KOFILE Preservation, Inc. is pleased to donate a wooden book display to the Nueces County Clerk that will serve as a functional structure for book organization and a decorative visual arrangement. The collection of Nueces County Clerk's record books should be displayed to the community following an investment in the record treatment process.

A wooden display will stand the tests of time. It is constructed to allow even the largest sized books to be well supported and aesthetically displayed. The display holds approximately 16 books in its compartments and has a value of \$2,598.00.

An appealing display of conserved books will reflect the County's respect for its public trust and demonstrate its desire to preserve the integrity of records for future generations. KOFILE Preservation, Inc. is proud to make a donation that will assist the Nueces County Clerk in realizing these goals.

Sincerely,

Miriam Gray
