Dear Judge Neal

Congratulations! On **January 24, 2013**, the Texas Parks and Wildlife Commission approved the County's grant proposal to acquire land and further develop LyondellBasell Park with federal funds through the Land and Water Conservation Fund program.

Enclosed are three attachments:

- Project Documents for Signature
- Attachments to Project Agreement
- Requirements Prior to Initiation of Project

The *Instructions for Approved Projects* manual contains all of the instructions for administering a Local Park Grant Program (LPGP) project. As compliance with these guidelines is critical to being reimbursed for project expenses, we ask that you contact us within the next two weeks to schedule a teleconference to discuss the *Instructions for Approved Projects* manual.

Also, we request to be notified of any groundbreaking or park dedication ceremonies; TPWD would appreciate the opportunity to attend these events. Please let us know at least 30 days in advance, as well as notifying all your state and local officials.

Your contact for this project is Roxane Eley. Call her at (512) 389-8109 to schedule a meeting or if you have any questions. We look forward to working with you to provide recreational opportunities to the citizens of Nueces County.

Sincerely,

SUMMARY OF GUIDELINES

(Revised January 2008)

It is the Commission's policy that the Department shall administer local projects in accord with the following guidelines, with interpretation of intent to be made to provide the greatest number of public recreational opportunities for citizens of Texas.

Approved projects shall be pursued in a timely manner by the sponsor, unless delays result from extraordinary circumstances beyond the sponsor's control. Failure to meet the following time frames may be grounds for the Department to initiate cancellation of the affected project in order to recommend reallocation of available funds to other projects, or to deny requests for additional grant funds for new projects:

ACTIVITY	TIME FRAME
Commission Approval	Begin 3-year project period (4-year max)
Grant Agreement Execution (Department & Sponsor)	As soon as possible after Commission approval

Periodic Reimbursement Billings	Every 90 days <u>if possible</u> (minimum \$10,000 request)
Project Completion and Grant Close-Out	Within 3 years after Commission approval (but in no case after the 4 th fiscal year)

SUMMARY OF GUIDELINES (Continued)

The following criteria will be used to determine sponsor eligibility for additional funding:

- Funding history and previous performance
- All previously completed Department sponsored grant projects must be in compliance with all the terms of the Project Agreement under which they received assistance and all program guidelines; and
- For active grants, all required project documentation (such as appraisals, construction plans, quarterly status reports, and reimbursement requests) must be complete and have been received on schedule, if due; and
- All active projects which are at least two years old must be reimbursed for a minimum fifty percent of the approved grant amount; and
- The total of approved grant funds which have not been reimbursed may not exceed \$2 million for all active grant projects.

A grantee may also be considered to be "high risk" based on financial stability or non conforming management standards, requiring additional special conditions and restrictions as determined by grant management standards.

FAILURE TO MEET ANY ONE OF THE ABOVE CRITERIA MAY BE GROUNDS FOR DENYING NEW GRANT FUNDS. ASSESSMENT OF THE ABOVE CRITERIA IN CONJUNCTION WITH REQUESTS FOR NEW GRANTS WILL BE MADE PRIOR TO SUBMISSION OF FUNDING RECOMMENDATIONS TO THE PARKS AND WILDLIFE COMMISSION.

I have read the "Summary of Guidelines for Administration of Local Park Grant Program Projects" and understand that the project sponsor, which I represent, will be responsible for compliance with the above conditions as a result of the receipt of grant assistance from the Local Park Grants Program.
