Your Honor

On or about October 15, 2013, we the TJFS received ✓ \$5,500 from you to assist us in presenting the 2013, 53<sup>th</sup> Anniversary of the Texas Jazz Festival. We greatly appreciate the gift. As you know we are the biggest and best FREE festival in Texas.

Your gift was instrumental in advertising the festival on radio and television during the event. We are certain that this spread the word about The Jazz Festival and our great city of Corpus Christi.

Thank you again for your support.
