Dear Commissioner Court:

The Westside Business Association greatly appreciates the grant provided to our Organization in FY 2012/2013 The funds allowed WBA to provide the community with much needed programming and to support community agencies. The WBA is proud to partner with the Commissioners Court to promote our region and to help stimulate the economic potential of Corpus Christi and the surrounding Nueces County areas.

The Westside Business Association offers a variety of opportunities and services to its membership. These services include monthly breakfast meetings that present Members with information and knowledge to improve the probabilities of success for their businesses. The WBA also holds annual luncheons and banquets intended to stimulate economic growth within our community. These events average between 350 and 500 participants per event. The \$4,500.00 provided to the organization this past year allowed to WBA to help the following agencies to better serve the community:

*\$4,200
