Dear Scott Cross:

Your responses have been reviewed and approved by the Gulf of Mexico Coastal Storms Program Management Team and panel. I'm happy to inform you that your project has been selected for funding. Loretta Leist, our Research Coordinator, will be contacting you in the next few weeks to request required items we will need to process your contract. We look forward to working with you on this project. If I can answer any questions, please let me know. I am listing our staff contact information below for your records.
