Honorable Commissioners:

I am humbly seeking your consideration to be appointed Judge of County Court at Law No. 5. I have been practicing law since 2003 and a large portion of my practice has been in County Court at Law No. 5. I have practiced before every Judge in this court and successfully handled every type of case Court 5 hears including all types of cases involving Texas Department of Family and Protective Services (CPS), juvenile criminal defense, guardianships, and justice court appeals. Not only have I handled these types of cases in Court 5, but also in many other Texas counties.

I am seeking this position because I have found this large portion of my practice very rewarding. In short, it has been an honor to serve the children and families of Nueces County. I feel my experience and passion makes me the right person for you to entrust as your Next Judge of County Court at Law No. 5.

I am attaching a resume which outlines my education and professional background as well as some personal information. I would welcome the opportunity to interview in person and can provide numerous personal and professional references upon request. Thank you very much for your consideration and feel free to contact me with any questions or concerns you might have.

Sincerely,

Timothy J. McCoy
