Overview and Expenditure Report of Grant Award
August 2014—Show Biz Report

The Board of Directors of the Corpus Christi Black Chamber of Commerce wishes to thank the Nueces County Commissioners Court for awarding the \$1000.00 in support of our *Show Biz Seminar* that was held August 25, 2014. ✓

The *Show Biz Seminar* yielded 60 attendees and 28 business exhibitors. Each business had the opportunity to showcase, promote, and advertise its wares and services in a public forum. The Corpus Christi Black Chamber of Commerce is also pleased that new members joined as a result of this event.

Additionally, one of the roles of our VP Economic Development is to help other businesses outside of Nueces County and the State of Texas learn of the diversity in our city. To that end, during the many months of business traveling, our VP distributes CDs of our business seminars to multiple businesses she frequents throughout the year. Each year, our Chamber creates new CDs to help promote Corpus Christi as a diverse place to do business.
