County Funds Report 2013-2014

2.8.14 As per the request of Leslie McCaughan, we dedicated a day to working on the soft skills of employment. We discussed goal setting, banking and money management, and took a trip to the mall with a short questionnaire for three mall employees, with directions to ask those employees about their jobs, how they like them, and the hiring process at their store.

4.30.14 At Workforce, the kids signed up with Work in Texas, then we visited the Police at the Training Center to learn the training and preparation a cadet undergoes when becoming an officer.

6.25.14 We visited KRISTV, the Caller Times, and Malkan Interactive Communications' Z95 station, learning the different media forms and even giving shout-outs on-air at Z95!

These are just a few examples of the trips we take with students each month. County funds were spent on gas and contract labor costs for our photographer.
