Elsa,  
Will these invoices require a special motion in order to pay? The requisition numbers are R151190 & R151195.

Hi Rochelle,

It was great talking to you by phone this afternoon. I hope y'all are able to hang in there through the runoff elections next week!

As I mentioned, we recently discovered our failure to provide an invoice for last year's VEMACS support. That invoice is attached to this e-mail along with the invoice for the current support period. Thank you for anything you are able to do regarding payment toward the prior year invoice.

Please let me know if you need any further information regarding this or if you have any outstanding service issues that need my attention.

Hope you all have a Merry Christmas and Happy New Year!
