Dear Judge Neal,

My name is Kristi Grogan. I am the daughter of Toby Cross, your Director of Veteran Services. I raised a little money from a personal fundraising website, called "GoFundMe". I did this for your low income & homeless veterans and their families. I know it isn't much, but I'd like this donation to benefit those veterans. I wish I could have raised more, I just couldn't get the exposure I needed. Maybe this can buy some bus passes, a few groceries or pay a bill for at least one deserving veteran.

Sincerely yours,

*Kristi Grogan*
