Honorable Loyd Neal
Nueces Court Judge

Dear Judge Neal,

I am currently servicing as a Fire Commissioner for the Nueces County Emergency Services District #2. My 2 year appointment is expiring and I am applying to serve for an additional 2 year term.

As a current member of the Emergency Services District #2 Board, we have been able to achieve many goals.

With your approval. I look forward to continue working with the Emergency Services District #2 Fire Commissioners and Chief Commissioner Dale Scott.

Respectfully,

Michael D. Morgan
