Re: Letter of Consideration,

Hello, my name is Miguel A. Rodriguez, and I was a member of the Flour Bluff Volunteer from 1982 to 1995. From 1995 to present I worked for Constable Ronnie Polston and now for Constable Jerry. I am currently Fire Commissioner for the Nueces County Emergency District #2. I would like to continue serving my community as a Commissioner. I am asking of you if you could re-appoint me so I can continue with couple of projects that I would like to finish.

Thank You.

Sincerely Yours,
