Re: Annual Report for FY14/15 Outside Agency Funds

Dear Judge Neal,

CBBEP very much appreciates the support received from Nueces County for FY14/15. The \$2,000 received from Nueces County was utilized for ongoing wildlife habitat management activities in Nueces County. Specifically the funds were used to pay for equipment and supplies to help restore the habitat of important nesting colonial waterbirds including pelicans, terns, herons and egrets. Through our active habitat management program we are improving nesting success and the restoration of bird populations.

Bird watching is an important recreation and economic activity in Nueces County appreciated by both residents and visitors.

Thank you for your continued support.

Sincerely,

*Ray Allen*
