**Joel M:** Hello Annette ,thank you for visiting FedEx.com I am Joel and will help you today.

**Joel M:** Let me check your tracking number. Give me a moment please.

**Joel M:** Yes. Both tracking number were delivered today at 08:58 AM ans was delivered at the front desk. It was signed for by A. Mendoza.

**Me:** Yes we did get them both this morning, we just needed to have FedEx confirm that they were originally scheduled for 10/30/15 morning delivery but both were delayed due to unforeseen weather conditions.

**Joel M:** That is correct. I'm sorry about that. We have weather delay last Oct. 30th.

**Joel M:** Would there be anything else I can assist you with today?

Good morning is there any other way I can get this to you because clearly it won't deliver by mail today. Is there a possibility of extending the deadline until Monday so it can deliver? Perhaps an electronic method of delivery? anything?
