Re: Letter of Reappointment

Dear Honorable Judge and County Commissioners,

This is to inform you that I am interested in being reappointed to the Board of Directors of the Behavioral Health Center of Nueces County. I have worked really hard to bring positive change and have developed the trust and confidence of the Board of Directors and am now serving as Vice-Chair of the Board. It has been a pleasure and an honor serving with Dr. Diaz and the Board of Trustees.

Sincerely Yours,

Abel Alonzo
