

Dear State of Texas,

It gives us great honor to request the presence of Jeromy Isaac Flores as a featured artist in the International San Francisco Meeting of Styles 2016 to proudly and respectfully represent America. Mr. Flores resides at 1310 Prince Drive, Corpus Christi, Texas 78412 USA and was selected after careful consideration from thousands of international artist submissions due to his artistic expertise, passion for art education, professional and respectful character and dedication to excellence along with 499 other international award winning artists.

Mr. Flores will be one of 6 selected artists attending the SF Meeting of Styles 2016 to be showcased in a fine art exhibit from September 12,2016 to September 18,2016 at the Mission Cultural Center for Latino Arts. This is a professionally curated fine art show.

The International San Francisco Meeting of Styles, hosted by Mission Art 415, is the world's largest international outdoor *street art awareness and education event* spanning over a 3 day weekend featuring the best street artists in the world. The event covers over 24 city blocks in the Mission District of San Francisco, California from September 16-18, 2016 with an expected 200,000 attendees over the festival weekend. You can find additional information by visiting www.missionart415.com under events/MOS. Thank you in advance for your time and support.

Warm regards,
