**COUNTY BOARD OR COMMISSION INFORMATION**

**Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.**

I was born and raised in Bishop, and have a vested interest in this area, its citizens, and their well-being. I have several years' experience as a surveyor, civil/structural inspector, and Windstorm inspector. I also have many years of experience in construction.

I hereby certify that the foregoing answers are true. I further certify, should I be **considered for appointment** to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also should I be **appointed** to a board, commission, advisory board or committee, and should a conflict of interest exist or develop with regard to a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include, **but are not limited to:** a direct or indirect financial interest by myself or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question.

## Summary

- Hands-on oriented individual with strong character who enjoys getting his hands dirty.
- Proven track record of learning/researching new concepts and skills quickly, possessing an ability to multitask through simultaneous jobs with little or no supervision.
- Hard working, with strong work ethic, and the ability to adapt to each specific work environment.
- A very optimistic individual who embraces creativity and innovation when solving problems.
- Great interpersonal skills; highly effective at communicating ideas clearly. A team player.

## Education

- Certified Technology Manager (CTM) accredited through the Association of Technology, Manufacturing, and Applied Engineering (ATMAE)
- Bachelor of Science in Industrial Technology @ Texas A&M University – Kingsville (3.1 GPA)
  - Minor in General Business Administration
  - Specializations in Quality Assurance and Construction Technology

## Career History & Accomplishments

- Reliability Specialist, *Jacobs Engineering* (2016 to present)
  - Assist with implementation of new PCMS software into reliability maintenance program. Enter all necessary data into new database.
  - Train reliability group (Fixed Equipment) how to fully utilize software for regularly scheduled inspections and for meeting mandated regulations.
  - Prepare and assist leadership with annual piping and equipment inspections based on data and calculations in PCMS.
- Owner, *Euly Enterprises* (2006 to present)
  - Oversee all aspects of business, from bidding to building to billing.
  - Prepare and review plans, develop work schedules for sub-contractors, and supervise work-in-progress.
  - Network with clients and other business owners to continually improve business performance and relationship with community.
  - Build reputation of company by adhering to principles of utmost integrity, and letting that reputation spread through recommendations.

## Career History & Accomplishments (continued)

- HVE Coordinator / Junior Designer, *Mustang Engineering* (2014 to 2016)
  - Act as a liaison between local project engineering/design group and sister company in Bogota', Colombia.
  - Review project, gather associated drawings, create work-scope documents and working folders, and generate notifications related to project.
  - Review estimate(s) with project lead; coordinate and schedule conference calls. Maintain consistent communication between parties.
  - Organize construction packages and field letters; pick up designer mark-ups. Assist designers with creating new drawings, isometrics, line numbers, etc.
  - Collect field data: measuring/verifying field condition (racks, piping, civil, structures, etc.)
  - Microstation CAD training. Troubleshooting CAD issues. Specialty items database entry.
  
- Field Inspector / Surveyor, *Alpha Engineering* (2012 to 2014)
  - Perform regular civil, commercial, and residential construction inspections.
  - Preliminary, intermediate, and final field walk-downs. Field sketching for preliminary and final drafting purposes (as-built drawings).
  - Help prepare and review drawings before submittal to contractors; read and help to interpret drawings while in the field.
  - Represent engineer in the field, and act as his "eyes and ears."
  - Complete required daily USDA reports, as well as normal WPI-1 and WPI-2 reports for Windstorm certification (WPI-8).
  - Initialize and carry out topographic surveys and elevation certificates, using both GPS and Total-Station based equipment.
  - Train engineers-in-training (EITs) proper and practical inspection and surveying methods, so that they may become effective professional engineers with real field experience.
  
- Superintendent, *Maltby Builders, Inc.* (2004 to 2006)
  - Manage large-scale (1M+) residential and commercial projects.
  - Oversee all assigned projects from beginning (pre-con) to end (punch-list).
  - Study plans and specification books to have complete understanding of project and to find any errors or discrepancies before they become a big problem.
  - Work closely with architects, owners, engineers, subcontractors, etc. to establish and follow schedule for efficient completion of project(s).
  - "Fill-the-gaps" in contract work on projects by providing my own expertise in construction processes/skills.
  - Help other superintendents within company with their own projects as a multi-craft technician, or even laborer, when needed.

## Career History & Accomplishments (continued)

- Assistant Manager, *F.F.P. Operating Partners* (1998 to 2004)
  - Managed daily and weekly paperwork.
  - Improved efficiency of grocery orders, deli inventory, work schedules, and daily paperwork through the use of custom automated spreadsheets.
  - Assisted in employee interviews and evaluations.
  - Trained all new employees.
  
- Music Instructor, *Hessong School of Music* (1998 to 2002)
  - Collaborated with students/parents to create custom learning itinerary.
  - Organized seasonal music recitals.
  - Developed/distributed advertisements & special programs.
