Dear Judge Neal,

I would like to be reappointed to my position on the County Emergency Services District #6 Board my appointment expires in January 2016. I have served as president of the District #6 Board since it was established. I am very proud of the newly completed emergency services building for District #6 in Driscoll. I look forward to working with my fellow board members to accomplish new projects to benefit the residents of Emergency Services District #6. Please consider my appointment to another term.

Best regards,
