Dear Judge Neal & Commissioners:

I respectfully request reappointment as a Commissioner of the Port of Corpus Christi Authority to a second three-year term. I believe I have contributed materially to the governance of our Port and look forward to helping guide us through the period of growth we are experiencing. My background in founding and operating a company deeply involved in manufacturing and water-borne commerce gives me a unique perspective among the current Commissioners and I believe it benefits our collective outlook.

Sincerely,

Richard Bowers
