Dear Commissioners Court:

The Westside Business Association greatly appreciates the grant provided to our organization in FY 2016/2017. The funds allowed WBA to provide the community with much needed programming and to support community agencies. The WBA is proud to partner with the Commissioners Court to promote our region and to help stimulate the economic potential of Corpus Christi and the surrounding Nueces County areas.

The Westside Business Association offers a variety of opportunities and services to its membership. These services include monthly breakfast meetings that present members with information and knowledge to improve the probabilities of success for their businesses. WBA also holds annual luncheons and banquets intended to stimulate economic growth within our community, we also hold Business Luncheon for our members educational programs. These events average between 350 and 500 participants per event. Every year we hold a Christmas event "Navidad do los Ninos" for the children living on the west side of Corpus Christi. The community of Corpus Christi has this opportunity to help the children have a memorable Christmas. The \$1,000.00 provided to the organization this past year allowed WBA to help the following agencies to better serve the community:

Funding Provided Organization/Utilization \_\_\_\_\_

\$500 Boy Scouts- to support the 6 WBA Chartered packs

\$500. Del Mar – SBDC : Start Smart Expertise For New Businesses

The Westside Business Association did not use any of the granted funds for operating the association. We look forward to the continued partnership with Nueces County Commissioners Court. Thank you for supporting the Westside Business Association. Please let us know if you require any additional information.

Sincerely,
