COUNTY BOARD OR COMMISSION INFORMATION

Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.

I currently work as the maintenance supervisor at Public Works aboard NAS Kingsville. I have extensive experience in all aspects of maintenance, repairing equipment, budget control, projects and planning, supervision, and most importantly: leadership. In my current and past capacities, I have extensive experience in repairing fire/life safety systems, to include fire fighting equipment. ESD#3 is a very important part of rural Nueces county: this is the only means of protection for anyone living in the affected area. I feel my experience and dedication would be an asset to the county tax payer, as well as other appointed commissioners and volunteers within ESD #3.. Thank you for the opportunity to be considered.

I hereby certify that the foregoing answers are true. I further certify, should I be **considered for appointment** to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also should I be **appointed** to a board, commission, advisory board or committee, and should a conflict of interest exist or develop with regard to a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include, **but are not limited to:** a direct or indirect financial interest by myself or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question.
