COUNTY BOARD OR COMMISSION INFORMATION

Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.

I am currently the District Literacy Coach for Robstown ISD and have worked with the staff of Keach Library on several projects. We have had a good working relationship and I feel this relationship could strengthen and grow. It would be beneficial to both entities and to the community as a whole as I feel that the library is an important part of the community.

I hereby certify that the foregoing answers are true. I further certify, should I be **considered for appointment** to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also should I be **appointed** to a board, commission, advisory board or committee, and should a conflict of interest exist or develop with regard to a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include, **but are not limited to:** a direct or indirect financial interest by myself or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question.
