✓ Re:2015-2016 Nueces County Contract No. 20160228

Please consider this a statement of expenses incurred by Al Amin Shriners for Shrine Hospital Patient Expenses. The \$1,500.00 funding from Nueces County contributed to the payment of the following expenses under Contract #20160228.

<u>ITEM</u>	<u>AMOUNT</u>
Lodging for patient, guardian and van drivers	\$25,568
Fuel for Hospital Vans (Valero, Sunoco, & Shell)	\$16,596
Meals for Patient, Guardian and Drivers	\$23,868
Registration of Hospital Vans	\$343
Total for his period	\$66,375

Please convey to the commissioners Court our appreciation for this assistance. I am also sure that the hundreds of patients and parents thank them also. Shriners Hospital for Children has been treating children under the age of 18 for a myriad of health issues since 1922 without regard o he family's ability to pay.

Sincerely,
