WHEREAS, national service expands economic opportunity by creating more sustainable, resilient communities and providing education, career skills, and leadership abilities for those who serve; and,

WHEREAS, AmeriCorps and Senior Corps participants serve in more than 50,000 locations across the country, bolstering the civic, neighborhood, and faith-based organizations that are so vital to our economic and social well-being; and,

WHEREAS, national service participants increase the impact of the organizations they serve, both through their direct service and by managing millions of additional volunteers; and,
