RE: Special Task Force Unit for Adult Protective Services

Dear Sir,

This is to express my interest in continuing service to the board named above. I have served for two years as the "local bank manager/officer and/or... financial manager" with access to the banking community." I will be happy to provide further information in response to your request.

I also recommend a change to my "Position" name under the current membership. The information sent to Ms. Catalani showed my position as "Registered Nurse." I am not, nor do I work in a medical profession. I recommend the name be changed to "Local Bank Manager" in accordance with your policies for a banking professional.

If there are any questions, please feel free to contact me.

Very Respectfully,
