Subject: Courthouse Atrium Skylights

"No Quote"

Anna:

We would like you to bid on a project. We have skylights in the Atrium in the Courthouse (Nueces County).

We want a quote to remove, clean out old caulking, pressure wash windows/skylights, and then reseal and re-caulk them. After that test them for water tightness and guarantee they won't leak again. The project is funded and ready to go. Thanks.
