Hon. Samuel L. Neal, Jr.
County Judge
Nueces County, Texas
901 Leopard St.
Corpus Christi, TX 78401

Dear Judge Neal,

It is with great pleasure that I submit my letter of interest in being reappointed to the Nueces County Hospital District Board of Managers where, I have served since December 2014, when I was appointed to fulfill an unexpired term. Since then, I have been unanimously reappointed to a full term beginning in 2015.

Since that time, I have been an active board member and have learned a great deal about the vital role the Hospital District plays in our community. Currently, I serve as the chair of the Quality Management Committee and also serve on the Planning Committee. I feel my continued service on the board is critical for not only continuity of the board but for the experience and knowledge I have gained since beginning service. As you know, we are at a critical stage in the transition of Spohn Memorial to Spohn Shoreline and as the board weighs what the future plans are for the Memorial site, it is vital to have continued experience on the board.

I greatly appreciate the support of the commissioner's court during my initial and subsequent appointments and hope that I can again continue its trust and commitment to serve the community in this most important capacity.

I appreciate your time and consideration by the court and hope that my interest will be met with a favorable decision. Please feel free to contact me with any questions via email at jevalls@gmail.com or by phone at (361) 779-5646.

Best regards,

John Valls
