RE: IFB No. 3082-18 Solid Waste Collection & Disposal Service (Dumpsters) for County Properties

Mr. Killian:

I am in receipt via email of your signed letter of September 13, 2018, wherein you are protesting the selection and award of another bidder. In response to your protest, Commissioners Court made the award on September 5th based on the responsible bidder who submitted the lowest and best bid.

Please note that your protest will be placed on the agenda for the next Commissioner Court meeting tentatively set for October 3, 2018 at 10:00 am at Commissioners Courtroom, 3rd floor, Nueces County Courthouse, 901 Leopard Street, Corpus Christi, Texas. You may address the Court, at that time and present evidence of your protest.

Respectfully,
