RE: AEP Claim #: C20180313320  
Date of Loss: May 20, 2018

Dear Nueces County:

Enclosed is a Personal Property Claim Worksheet – Sworn Statement in Proof of Loss, to be completed with damage information related to your loss. The property owner must sign, date and return the completed worksheet to us or the claim cannot be processed. Please include copies of original purchase receipts as well as replacement receipts and repair invoices/estimates.

In keeping with applicable laws, settlement will be based on the lesser of:

1. The actual cash value of your property at the time of the loss; or
2. The cost of repair (repairs must be attempted on major items)

We consider a major item to have a value in excess of \$500.00. Actual cash value is determined by insurance industry accepted depreciation guide tables. Please complete, sign and return the form with all necessary documentation to my attention within 30 days of the date of this letter. If we do not receive this information within 30 days we will assume you are not pursuing a claim and close our file.

Please contact me if you have any questions.

Sincerely,

*CJewitt*
