COUNTY BOARD OR COMMISSION INFORMATION			
Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.			
<p>Since moving to Corpus Christi in July of 2000, I have been interested in using my skills and knowledge to help serve the City and County. I have been most interested in this commission as logistics was what I trained for in the Navy and has been my profession for my entire adult life.</p>			

I hereby certify that the foregoing answers are true. I further certify, should I be **considered for appointment** to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also should I be **appointed** to a board, commission, advisory board or committee, and should a conflict of interest exist or develop with regard to a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include, **but are not limited to:** a direct or indirect financial interest by me or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question. ***I hereby affirm that I meet the minimum qualifications and residency requirements for this board or commission.**

Lyndon E. Smiling

Participate in all CCAD Operations / Production meetings.

Actively manage all (Sikorsky on site) Facility, Manpower, Production Systems, Production Scheduling, and Production Performance initiatives as they pertain to the execution of this contract and its schedules.

Actively manage daily Sikorsky production operations meeting to identify material shortages and aircraft status

Contribute to short and long-term organizational planning and strategy as a member of the program management team

Manage and increase the effectiveness and efficiency of support services through improvements to each function as well as coordination between support and business functions

February 2010-October 2012: Derco Aerospace Inc. Director of Logistics Programs: Responsible for the management and execution of multiple logistics programs of various sizes with a total value of more than \$50M annually. Acts as liaison between cross-contract entities, customer and corporate interests. Led Derco Logistics team to AS 9120 Certification, VPP Star Certification and ACE Bronze compliance. Oversaw the material forecasting and supply chain management for T34/44 aircraft and UH-60 Blackhawk components. Ensured supplier compliance to the United Technologies Corporation Quality Standard. I was responsible for a 25% increase in revenue for the CCAD program.

November 2003-February 2010. Derco Aerospace Inc. Project Manager: Through various projects and roles, coordinated the efforts of the warehouse team to ensure timely and efficient receipt, storage, picking and delivery of Blackhawk Helicopter parts in support of the recapitalization of Sikorsky's Blackhawk Helicopter and components at the Corpus Christi Army Depot. Responsible for the forecasting, purchasing and overall supply chain management of the materials required for the overhaul of 23 unique Blackhawk Components managed by Derco Aerospace. Critical shortages were reduced from 30% to less than 0.1%.

May 1983-October 2003. United States Navy. Aviation Repairables Manager: Directly responsible for maintaining 100% inventory accuracy and stock levels at various duty stations in the Continental United States, Overseas and shipboard locations.

Skills:

Continuous Improvement: Qualified Lean/Six Sigma Green Belt

Leadership: Lead several diverse teams and departments in a matrix organization with successful results.

Project Manager: Project Manager for the successful implementation of SAP in the warehouse

Software Integration Team: Key player in the implementation of ERP upgrades

Database Administrator: Maintained data integrity of specialized Naval shipboard supply systems database. Performed weekly backups and reviewed output products for accuracy.
