Re: Beach Management Advisory Committee

Dear Judge Canales,

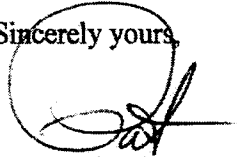

I have served on the Beach Management Advisory Committee since January 2012 and learned a lot about the importance of protecting our dunes and still allowing people to build homes on Mustang Island. I appreciate the opportunity to serve but it is time for me to resign for personal reasons.

I think my viewpoint, as someone who is a full time resident on Mustang Island, has contributed to BMAC and would like to suggest another resident for appointment to BMAC i: Michael Garrett has been Property Manager for Admirals Row Condominium since June 2014 and he and his wife reside on the property.

I am President of Admirals Row so I have worked closely with Mr. Garrett and know that he would make a good member of BMAC. He and his wife Michelle intend to remain here and are involved in our community. Mike is Commander of VFW Post 8967 in Port Aransas and also plays in the Senior Softball League at Kiwanis Park. Michelle has completed the Master Gardner Program and is an active member of the Port Aransas Garden Club and South Texas Botanical Gardens where they're both volunteers.

His Application and resume are attached to this letter.

Sincerely yours,

Pat M. Eisenhauer
