## COMMISSIONERS COURT PROCLAMATION

### “Encouraging Texas Department of Transportation to Install a Traffic Light at FM 43 and CR 33”

**WHEREAS**, the intersection of FM 43 and CR 33 was once a rural intersection and is not properly equipped to handle heavy traffic volumes; and,

**WHEREAS**, the area has experienced increased residential development, as well as the construction and expansion of the London Independent School District, causing increased traffic at the intersection of FM 43 and CR 33; and,

**WHEREAS**, the Texas Department of Transportation (TXDOT) has implemented traffic safety measurements such as lowering the speed limit and providing a flashing light during school hours. Despite these efforts, the intersection of FM 43 and CR 33 continues to experience a rise in automobile and pedestrian accidents; and,

**WHEREAS**, the Commissioner Brent Chesney, Nueces County Public Works Department staff, and London ISD officials met with the Texas Department of Transportation earlier this year to voice concerns about the increased number of accidents; and,

**WHEREAS**, significant additional development, in the form of two major housing developments is planned, further increasing traffic flow and congestion at and around the intersection of FM 43 and CR 33; and,

**WHEREAS**, further action is needed from TXDOT, in the form of a traffic signal at the intersection of FM 43 and CR 33, to manage traffic volume and prevent additional automobile and pedestrian accidents;

**NOW, THEREFORE, BE IT THAT THE COMMISSIONERS COURT OF NUECES COUNTY**, hereby encourages the Texas Department of Transportation to install a traffic signal at the intersection of FM 43 and CR 33 by the London School District to enhance automobile and pedestrian safety in the area.

**DULY ADOPTED BY VOTE OF THE COMMISSIONERS COURT OF NUECES COUNTY, TEXAS, ON THIS THE 6<sup>th</sup> DAY OF NOVEMBER, 2019.**
