The Texas Department of Transportation (TxDOT) will be performing various work activities along **Interstate Highway 37 from N Staples Street to N Shoreline Boulevard**. This work will include surveying for highway design. TxDOT has contracted with CDSmuery to perform the initial surveying, which will primarily consist of determining property lines to establish the existing right-of-way on Interstate Highway 37. TxDOT is requesting your permission to allow CDSmuery survey crews access to that portion of your property adjoining and near the right-of-way to perform this work, as well as access to the back corners of your property to search for monumentation.

Please sign, check the appropriate box, and return one (1) of the letters in the enclosed self-addressed, stamped envelope. The additional copy of this letter is for your records. If there are any lessees or tenants on the property that should be contacted, please include their contact information. If this property has been sold, please provide the name and address of the new owner. If you wish to provide any conditions for authorization to enter your property, please write them below.
