Nueces County Commissioners,

My name is Susan O'Connell and I am currently serving on the Nueces County Child Welfare Board. I am interested in being reappointed to the board. I have held a place on the board for one 3 year term and feel compelled to continue working for the well-being of our Nueces County foster children. I have the time necessary to attend meetings and all other responsibilities of the board and presently serve as the Vice President. I would greatly appreciate your consideration for an appointment to another term.

Thank You,
