Judge Canales,

My name is Gavanda K Cadena, I currently hold one of the commissioner positions on the Nueces County Emergency Services District No. 6. I'm interested in serving an additional term. During my last two years I have felt such gravitation in helping the other commissioners oversee the service being provided by our service provider. I feel the time I volunteer as a board member is a small part of helping our communities get the service that is truly needed. The past years have been a growing experience for me and I truly enjoy my work with the board. Working with the other board members has been a pleasure. I hope to continue serving Nueces County ESD#6.

Thank You,
