Dear JAG,

I wanted to thank you for your help with our mission to help Kids stay out of the Juvenile Justice System. Your gift last year allowed us to hire a part time person to oversee our mentoring efforts at the Barnes Facility in Corpus Christi. I hope you will prayerfully consider helping us again this year as we begin our twentieth year of service in the Coastal Bend.

Thank you for believing in us and helping us help kids make better choices. I continually thank God for your faithfulness to this ministry.

Peace and Grace,

2019 Highlights

Commissioner Gonzales, this year we will begin our twentieth year of mentoring and ministering to the youth at risk in Texas. I would like to thank you for your support and prayers. Without your help we could not continue to make a difference in these kids lives. With your gift we were able to accomplish great things. You helped us teach kids that they have a Future and Hope. That they can OVERCOME!

In Nueces County:

We trained and equipped 47 new volunteers and recruited 14 new Mentors into the Program.

Put on 24 programs where 1485 young people heard our Speakers Reinforcing our goals and objective of keeping kids out of the juvenile justice system.

462 young people and 3 correctional staff members made first time decisions to accept Christ as their personal Savior at one of our events.

We mentored and provided "Life Coaches" for 89 kids this year. We helped 16 get their GED's , five enrolled into College, and 2 graduated from college.

9 former gang members spoke to 700 kids about the dangers of gangs at one of our gang awareness programs.
