Dear Friends,

Looking back to the beginning of 2019, I can honestly say that I could not have imagined or dreamed all God would do or bring us through! It has been an amazing year of incredible "God ordained" moments and events. Only weeks after hosting our largest banquet ever at the American Bank Center, we were contacted by the Refuge of Hope Board of Directors asking for that organization to become part of the Pregnancy Center of the Coastal Bend. Just months later, we opened a new location on Northwest Blvd in the Five Points area!

While 2019 was a whirlwind of activity, 2020 is shaping up to be just as incredible. We recently hired an area educator to oversee and develop an abstinence program. We are excited to continue providing this important education in the schools that Refuge of Hope was serving and we look forward to expanding to other schools as well.

After much work and prayer, we have acquired the necessary property to build a larger facility on Ennis Joslin near Texas A&M Corpus Christi. We will be sharing more information about our building project at the 2020 Banquet which will be held at the American Bank Center on April 16<sup>th</sup>. Be watching for more details coming soon!

There are so many wonderful things happening at the Pregnancy Center - if only I had the space in this letter... Thank you for making all these things possible! I am so grateful for your partnership. You really are changing lives in the Coastal Bend every day!

In Christ,
