**County Board or Commission Information**

**Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.**

Having been a resident of Nueces County for most of my adult life, I am passionate about the health and well being of this community. I have over twenty years of higher education, healthcare and transportation industry experience including my current role as Director of Marketing at HALO-Flight; eleven years with CHRISTUS Spohn Health System; five years with Texas A&M University Corpus Christi; and three years with the Corpus Christi Regional Transportation Authority.

My interest in serving on the MHID Board of Trustees comes, in part, from the eight years of service to the Center while on PNAC, where I saw firsthand the extent of need in our community and the incredible focus on solutions by the Center staff. Additionally, and not unlike many families, I also have personal experience with mental health issues in my beloved family. None of us are immune, so I strive to be able to have some degree of positive impact on this vital lifeline in our community.

The philosophy on servant leadership by Robert Greenleaf: "The servant-leader is servant first... It begins with the natural feeling that one wants to serve, to serve first. Then conscious choice brings one to aspire to lead" motivates me and feeds my interest in the open position on the Board of Trustees.

I hereby certify that the foregoing answers are true. I further certify, should I be **considered for appointment** to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also, should I be **appointed** to a board, commission, advisory board or committee, and should a conflict of interest exist or develop about a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include **but are not limited to**: a direct or indirect financial interest by me or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question. **\*I hereby affirm that I meet the minimum qualifications and residency requirements for this board or commission.**
