ATTN: Nueces Center for Mental Health & Intellectual Disabilities Center  
Board of Trustees  
901 Leopard, Room 303

Dear Judge Canales,

I am currently a member of the Chair of the Board of Trustees at MHID. I have learned so much during my tenure on this board and would love the opportunity to continue serving as the Chair of this amazing organization. I was appointed on October 23, 2013, filling an unfinished term vacated by someone else and was appointed in 2014.

I am committed to learning as much as I can to better serve the board. As a recently retired individual, I have more time to commit to the organization.

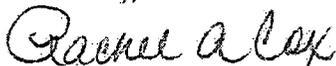

I worked with students with disabilities at Texas A&M University-Corpus Christi for over 18 years. Many years ago, my son was a client of this agency. It was a positive experience (albeit, years ago) with the services the center offered. I had a son who was in the Infant Stimulation Program in the early 1980's. I also know some people personally who the organization has served and how it has made a tremendous impact on their lives.

For the reasons cited above and more, I continue to be passionately interested with continuing to serve on the Board of Trustees. I want you to know that I am someone who feels she can do an outstanding job and is committed to the health and welfare of the organization and the community as a whole. Moreover, I continue to enjoy the staff and the current Board members who have been very welcoming and informative. I am available to give it my best to make a positive contribution to the Center.

Therefore, please accept my letter of interest in continuing to serve on the Board. I will be more than happy to send any additional information you may need from me.

Thank you very much for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Rachel A. Botello-Cox
